

SPRING SEMESTER 2010 SCHEDULE OF CLASSES

Registration Procedure

1. **PRE-REGISTER.** Current students must pre-register for classes using *WebAdvisor* at webadvisor.evansville.edu. Instructions for using *WebAdvisor* are available on *WebAdvisor* and AceLink. You must finalize your class registration (see #3 below).
2. **GET YOUR ADVISOR'S AUTHORIZATION TO REGISTER.** Schedule an appointment with your adviser and get his or her *WebAdvisor* authorization to register. You can confirm your adviser assignment on *WebAdvisor*. If you have more than one adviser, i.e. you are a double major or Secondary Education major, you should contact each adviser.
3. **REGISTER. YOU MUST finalize your registration.** You will receive an email on October 26 under the subject, "Your registration day and time," informing you of the day and time after which you will be able to finalize your registration on *WebAdvisor*. Be sure to check out the information on *WebAdvisor* or AceLink regarding the new registration procedure. If you plan to study abroad, you must register through the Office of Study Abroad. Please note that full-time students with an excess balance of \$500.00 for the current semester will not be permitted to register. All past due balances must be paid by November 30, 2009 to insure that your enrollment will not be canceled. Also, part-time students with any past due balance may not register.
4. Pay at least one-half of your fall fee balance by December 20. After that date, your registration may be canceled. If your registration is canceled you may re-register; however, you may not be able to get the courses or sections you want. Any student registering after December 20 will be required to make full payment at the time of registration unless alternative arrangements have been approved in advance by the Student Accounts Office.

REGISTRATION SCHEDULE FOR CURRENT STUDENTS

Remember, current students must pre-register using *WebAdvisor*. Current students must receive authorization from their advisers to register and **MUST** finalize their own registrations.

Students will be allowed to register in descending order of accumulated credit hours. Students with the most accumulated credit hours will begin registering on November 2. Accumulated credit hours do not include the current semester's hours.

NOTES, REMINDERS AND DISCLAIMERS

GENERAL EDUCATION REQUIREMENTS – The “General Education” column of this booklet lists the applicable general education category for any course that satisfies a general education requirement from the 2009-2011 catalog. **REMINDER:** Only courses from outside the student’s major discipline apply to general education.

APPLICATION FOR DEGREE - Complete an Application for Degree in the Registrar’s Office one year prior to the intended date of graduation.

CHANGES IN MAJOR/MINOR/ADVISER - can be made in the Center for Academic Advisement, Olmsted Hall 106.

PASS/FAIL OPTION - Juniors and seniors may take one course per term on a pass/fail basis (excluding courses that are offered only on a pass/fail basis). No course required for the major or minor or no course being used to meet general education may be taken pass/fail. The option must be exercised in the Registrar’s Office at the time of registration. A course may not be changed from pass/fail or vice versa after the last day established for course additions.

SCHEDULE CHANGES (DROP AND/OR ADD COURSES) - A course may be dropped without a designated grade through the last day to register or add a course. From that date through the eleventh week a grade of “W” is assigned. For the spring semester, the final date to drop a course is April 1, 2010. A grade of “F” is given for dropping a course after that date. Discontinuance of attendance does not automatically constitute a withdrawal. A grade of “F” is given in this situation. Withdrawal from all credit classes may be arranged through the Office of the Dean of Students.

UE BOOKSTORE – Textbook information will be posted online when available at www.bkstr.com/CategoryDisplay/10001-9604-17078-1?demo%20Key=d.
