www.evansville.edu

THIS APPLICATION is to be completed by international students who wish to study at the University of Evansville. All information should be typed or printed neatly.

APPLICATION DEADLINES

An application is not complete until all supporting documents are on file in the Office of Admission.

To be considered for:	All information should be received by:
Fall Semester	July 1
Spring Semester	November 1
Summer	April 15

EDUCATIONAL BACKGROUND

1. You must arrange for the University of Evansville to receive all official or certified copies of your academic records from each secondary school, college, university, and professional institution of learning.
2. Transcripts should list each subject studied with all grades, marks, or other verification that each individual course was completed to the satisfaction of the authorities in charge.
3. Copies of all diplomas, degrees, or other certificates received should be forwarded as well.
4. Since certificates and records filed for examination are not ordinarily returned, you should send certified photostat copies if the documents in question cannot be easily replaced.

All records should be in English. Records in other languages must have copies of the originals attached with certified translations.

SOURCES OF FINANCIAL SUPPORT

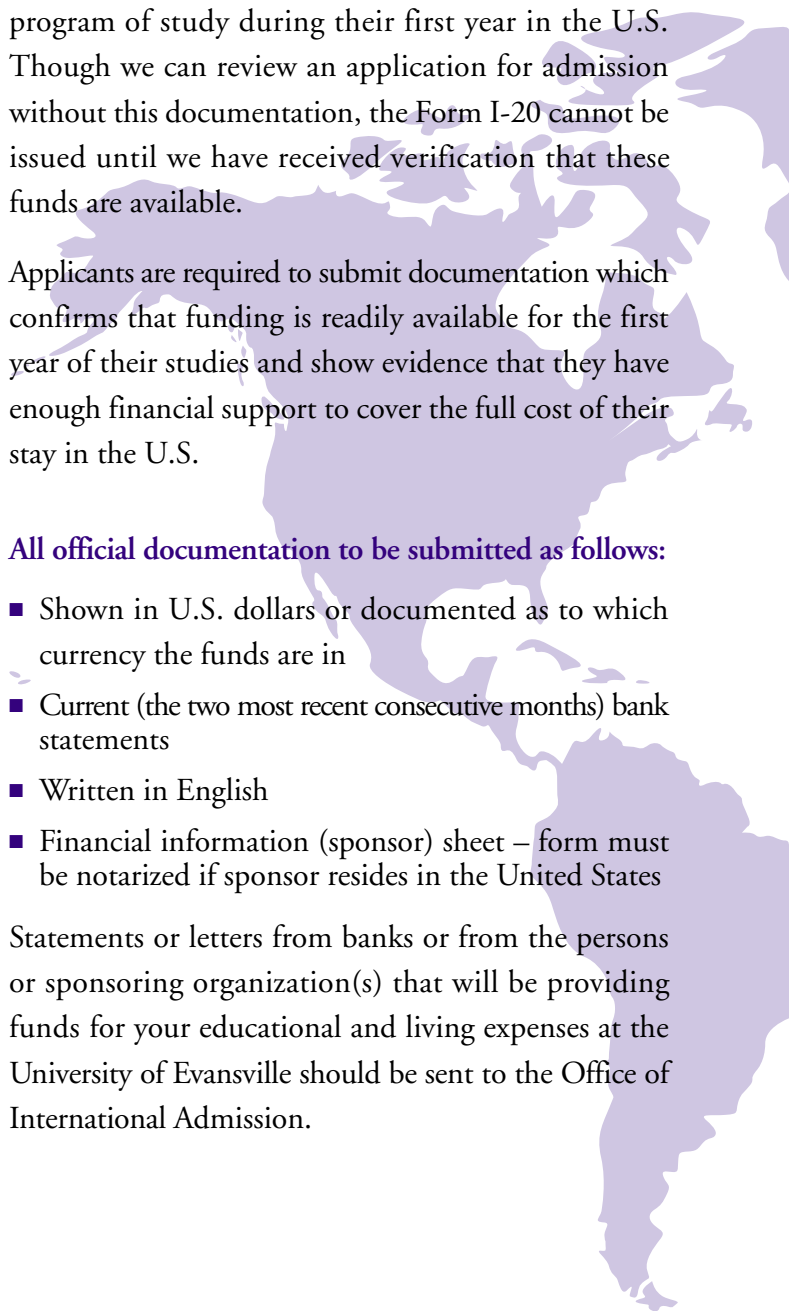

Important: Federal regulations require students to demonstrate that they have current resources available to meet the expenses involved in the student's proposed program of study during their first year in the U.S. Though we can review an application for admission without this documentation, the Form I-20 cannot be issued until we have received verification that these funds are available.

Applicants are required to submit documentation which confirms that funding is readily available for the first year of their studies and show evidence that they have enough financial support to cover the full cost of their stay in the U.S.

All official documentation to be submitted as follows:

- Shown in U.S. dollars or documented as to which currency the funds are in
- Current (the two most recent consecutive months) bank statements
- Written in English
- Financial information (sponsor) sheet – form must be notarized if sponsor resides in the United States

Statements or letters from banks or from the persons or sponsoring organization(s) that will be providing funds for your educational and living expenses at the University of Evansville should be sent to the Office of International Admission.
