The Value of a UE Education

- Classes one night a week; a master’s degree in four semesters
- Opportunity to visit Harlaxton College, the University's campus in Grantham, England
- Cohort style; together from beginning to end with your classmates building professional and personal connections
- Financial aid available
- Exceptional program completion success rate

Get Started

- Must have a Bachelor’s degree from a regionally accredited university
- Official transcripts and completed application
- Résumé reflecting a minimum of three years working experience
- Undergraduate cumulative GPA of 3.0 OR MAT or GRE scores
- Two letters of reference

Why UE?

Today’s service-driven work environment requires expertly-prepared leaders. Develop your leadership, marketing, management, communication, and professional skills in a hands-on atmosphere that stimulates your mind – and your career.

PSA 567 Measurement and Statistics
PSA 507 Applied Research and Program Evaluation
PSA 543 Grant Writing

“I cannot say enough good things about the program. The schedule and accelerated classes were extremely manageable for someone working full-time. The ability for me to quickly complete a master’s degree has advanced my career in the military ahead of my peers and set me up for great success in the future.”

Eric Moffat, PSA Class of 2011, US Army, 2001-present
