How To Register

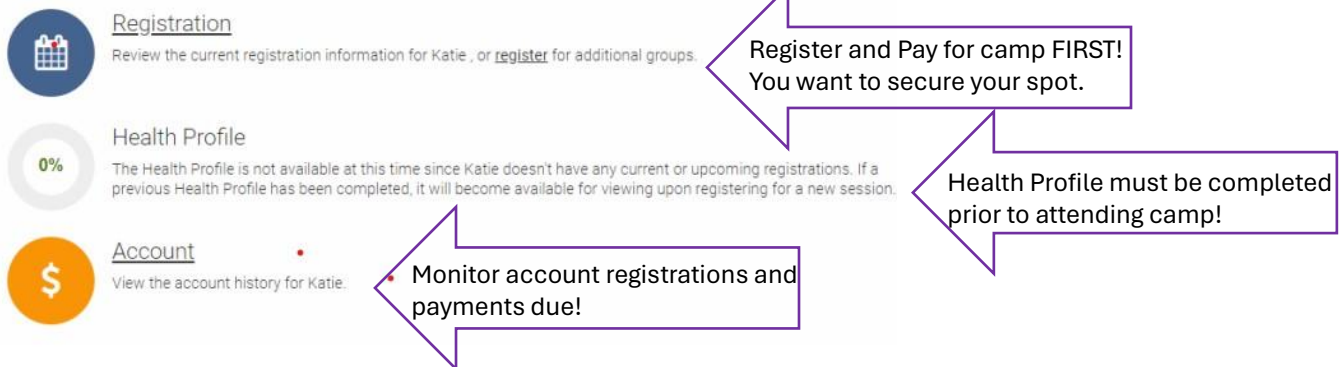

Visit [Youth Camp Opportunities at UE - Camps - University of Evansville](#) or click [Register Now](#)

1. Select Sign Up

- Enter an email address that you check frequently!
- We will send frequent emails to the entered email address regarding registration, payment, and camps/programs/conferences updates. Email address should be the parent/guardian's and not the student/participant.

If you already have an account, login using your email address and password. If you forgot your email and/or password, please call UE's Office of Youth Programs at 812.488.5004 or 812.488.3440 and we can provide you with the email you provided for registration. You will then be able to reset your password.

Once logged in/account created, you will see that CampDoc is broken down into three categories:

- The parent/guardian registering a student/participant will be the administrator of the account. The administrator should be the student's/participant's parent/guardian.
- **STUDENTS SHOULD NOT BE REGISTERING THEMSELVES FOR CAMPS, PROGRAMS, AND CONFERENCES!**
- Each student/participant **must** have an individual account setup (each account is unique to each student's/participant's needs). Multiple students/participants (siblings) can be set up under one administrator account.
