Special Bonus Categories

Teams may be able to receive special bonus points for ideas that fall in the following areas (more information will follow in the trainings).

1. Increases girls' access and exposure to science fields (Example: a summer camp on UE's campus for girls interested in physics).
2. Works to address or mitigate climate change in our region (Example: decreasing air pollution, more rooftop gardens, etc.).
3. Increases access to physical activity or health options (Example: more dance classes in schools, more recesses, more parks or green spaces, fitness trails, more smoothie bars, creative outdoor play options, etc.).
4. Provides creative ideas that improve quality of life in Evansville's Promise Zone.

Support

All competitors may receive FREE training from UE's Center for Innovation & Change as well as connection to faculty experts.

Competition Format

- Round 1:** Register and submit your pitch by December 8, 2022.
Round 2: Top 20 teams will deliver pitches in person on the UE campus on January 24, 2023.

Prizes

Winners will receive the following scholarships to the University of Evansville*:

1st place - FULL TUITION†

2nd place - \$27,000 scholarship

3rd place - \$23,000 scholarship

*Students eligible for more than one UE scholarship will receive the one of highest value. †Students winning first place will not pay any tuition out of pocket for four years. Winners are required to live on campus as part of a cohort, remain consistently enrolled full-time each semester, maintain satisfactory academic progress toward their degree, and display progress toward fulfilling their Changemaker Challenge project goals. UE admission requirements apply.
