

DESIGN & INNOVATION TRAINING STUDIO

FREE STEM professional development for educators, service providers, and community members!

Learn the technologies already in your building to increase the possibilities for your students!

Friday, June 26th | 9:00 a.m. - 3:00 p.m.

Introductory DIS STEM Training

Meet the technologies and learn about introductory coding, STEM career exposure, student incentives, and use of AI to generate standard-aligned activities with DIS tech. All are welcome!
