

DESIGN & INNOVATION TRAINING STUDIO

FREE STEM professional development for educators, service providers, and community members!

Learn the technologies already in your building to increase the possibilities for your students!

Thursday, July 30th | 9:00 a.m. - 3:00 p.m.

STEM Tech + Science Intro Training PD

Meet the technologies through the lens of Science. Learn about STEM career exposure, how to use the technologies, and use of AI to generate standard-aligned activities with DIS tech. All are welcome!
