In Case of Inclement Weather:

1. In the case of inclement weather including but not limited to: snow, ice, freezing rain, and tornado, Ace+PT staff along with advisors and UE Safety and Security will work together to make a decision regarding the status of Ace+PT clinic appointments.
    - Decisions will be made based on weather predictions, status of UE sidewalks, parking lots, and surrounding roads.
2. In the case of cancellation, Ace+PT Client Advocate will inform all participants, student volunteers, and licensed PT volunteers about the cancellation. Participants will be informed via phone and email while volunteers will be informed via email. Ideally, these communication methods will be completed by 3pm on the day of the class.
3. If the University is closed due to inclement weather, Ace+PT services will automatically be cancelled and all participants and volunteers will be informed.
