Residence Life

The Office of Residence Life regards education as more than a classroom experience. Living within the UE residential community gives students an exciting opportunity to enrich the college experience through the development of friendships and the exposure to new ideas, peoples, and cultures. Our residence halls, apartments, and houses are more than just places to eat and sleep; living on campus offers students an environment that supports a well-rounded education.

Residence Life Staff

The Office of Residence Life is staffed by a team of professional administrators and paraprofessional student staff who collectively assist students in making the most of the on-campus experience. Our team works collaboratively with students, faculty, and staff to offer quality programs and services for student residents.

- **Director of Residence Life/Assistant Vice President for Student Affairs.** Provides vision and direction for the Office of Residence Life as well as several other areas within Student Affairs.

- **Associate Director of Residence Life.** Supervises Residential Coordinator Staff and oversees operational functions for the department including housing assignments, check in and check out, early arrival requests, room changes, damage assessment and billing, and department budget tracking. Acts as liaison with maintenance, housekeeping, and other key campus offices to provide quality facilities and services.

- **Coordinator of Student Life Operations.** Provides support for both the Office of Residence Life and the Center for Student Engagement. Coordinates staffing for the Ridgway Information Desk, schedules guest room reservations, point person for student organization registration, reserves rooms for student groups, provides billing functions for residential properties and Greek organizations, and coordinates mail services for campus residents. Students, staff, and parents can obtain important information and resources through the coordinator of student life operations.

- **Residential Coordinators.** The residential coordinator (RC) is a full-time professional who lives in the residence halls in a staff apartment. Each RC has a bachelor’s or a master’s degree and has significant experience in residence hall living. Their responsibility includes supervision of a Head Resident or Lead RA, supervision of resident assistant staff, hall committee advising, and the overall management of residence halls assigned to them. RCs work closely with students handling crises, mediating conflicts, and establishing a solid residential community. A substantial portion of an RC’s time is spent serving as an active resource to students, assisting with both academic and personal matters, and serving as a link to a variety of campus resources.

- **Head Residents.** The Head Resident (HR) is an undergraduate or graduate student staff member within the Office of Residence Life and are considered senior members of the RA staff providing leadership, assistance, and support to fellow Resident Assistants and to the students living in their area. Head Residents serve in a supervisory role within their area, and reports to their supervising RC.

- **Lead Resident Assistant.** A Lead Resident Assistant is an RA who helps coordinate the efforts of the RA staff, helps advise Think Tank/Hall Council leaders, and assists the RC in managing the building.

- **Resident Assistants.** One of the most valuable resources on campus is the resident assistant (RA). Students serving in these positions have been selected based on their maturity, interpersonal skills, and sense of commitment. The RA can be a primary resource for information and assistance. Their major responsibilities include getting to know residential students and helping them become familiar with how the University of Evansville works. They assist students in maintaining an environment that encourages student learning. As peers, RAs are available to help students with personal or academic concerns. RAs also plan a number of educational and social activities for members of their floors.
Housing and Food Service Contract

Completion of the Housing and Meal Plan Registration on WebAdvisor constitutes a legal and binding agreement between the student and the University of Evansville. By submitting this electronic form, the student acknowledges that they have read and understands the terms of the contract and agrees to all of its terms and conditions, including payment of charges and forfeitures when due. The signature of a parent or guardian is required if the student is not yet 18 years old. This contract will be valid for the balance of the academic year indicated.

To provide student housing at the highest value and lowest possible cost, there must be a consistent occupancy level in our residential facilities. For this reason, all housing contracts are binding for the duration of the academic year.

Students should carefully read the terms and conditions of their Housing and Food Service Contract. It is a legal and binding residential facilities. For this reason, all housing contracts are binding for the duration of the academic year.

A personalized and dated contract is generated upon completion of the online agreement on WebAdvisor. A copy of this contract can be downloaded from WebAdvisor at any time. Students should refer to this document to gain an understanding of their rights and responsibilities. Information related to this contract and policies related to living on campus are conveniently located within this publication and within the residence life section of the University website: www.evansville.edu/residencelife.

Contract Cancellations. There are specific provisions and restrictions regarding contract cancellation requests. Information regarding these requests are found within this publication and on the residence life website under Contract Cancellations and Refunds.

University Housing

University housing refers to all University residence halls, apartments, houses, townhouses, and University-managed fraternity houses. The University of Evansville guarantees residence hall rooms for all Freshmen, Sophomores, and Juniors. Typically, housing for Freshmen and Sophomores is available in University residence halls, Pod Housing, and approved Greek Housing. Some housing is set aside in Jones Hall for Sophomores transitioning from Pod Housing. Housing in apartments, houses, and townhouses are typically reserved for Juniors, Seniors, and Graduate Students.

Residency Requirements – Students who entered prior to Fall 2022.

Residency Requirement – Freshmen* and Sophomore Housing

Students must reside on campus for a minimum of two academic years or the equivalent of four full term semesters. Credit hours attained at UE or from bridge, early-college, dual-credit, or advanced placement do not qualify for the number of semesters required.

Freshmen and sophomores who meet one of the following criteria may request an exemption:

- The student’s local residence is with parents or legal guardians in a 35-mile radius of the University of Evansville.
- The student has attained the age of 21 prior to the start of the academic year.
- The student is married and/or must live with a dependent.

The exemption form must be filed with the Office of Residence Life. Other exceptions and modifications to residence requirements are determined by the director of residence life.

*This policy also applies to students that are “freshmen transfers” (students transferring in after one semester at another institution).

Residency Requirement – Transfer Students

Transfer students with less than 60 academic credit hours earned at previous institutions (excluding bridge, early-college, dual-credit, and advanced placement credit) are required to live on campus or in University-sponsored housing unless they meet one of the following:

- The student has attained the age of 21 prior to the start of the academic year.
- The student is married and/or must live with a dependent.

The exemption form must be filed with the Office of Residence Life. See more on the Residency Requirement policy here: www.evansville.edu/residencelife/requirements.cfm.

Students who choose to live off campus without an approved exemption are assigned university housing and a meal plan and are financially responsible for housing and food service fees.

Residency Requirements – Students entering Fall 2022 or After.

Residency Requirement – Freshmen, Sophomore, and Junior Housing

Students entering as freshmen (includes transfer freshmen entering UE after one semester at another institution) must reside in either University Housing or University Approved Housing for a minimum of three academic years or the equivalent of six fall/spring semesters.

Housing for Fourth-Year Students and Graduate Students

Students who have met the three-year residency requirement or are classified as graduate students are not required to live on campus but are welcome and encouraged to remain in campus housing provided availability.

Village and Greek Housing

The Villages. Village housing refers to all University apartments, houses, townhouses, and University-managed fraternity houses that are owned and operated by the University. These units, located adjacent to the campus, are under the supervision of the associate director of residence life, a Lead RA, and three RAs. Village space is reserved for upperclassmen with 60+ credits as space allows. Policies regarding Village housing fall under the Office of Residence Life.

Greek Housing. Several of our students live in Greek housing. There is a mix of upperclassmen and freshmen in these houses. Freshmen who have signed a bid may request to move into a Greek house if they are in good academic and disciplinary standing with the University. The residency requirement may be fulfilled by students choosing to live in university approved Greek housing.

- Students living in TKE, Phi Tau, and FIJI live within University Approved Housing and fall under the standard University Housing Contract as a Village property or a leased property.
- Students living in SAE, Lambda Chi, and Sig Ep live within University Approved Housing in houses owned and operated by the Fraternity. Housing contracts for these properties are administered by the Fraternity.

Students living in Greek Housing who entered the University in Fall 2022 or later will be assigned and billed for the Aces 7 meal plan but are welcome to choose a larger plan. Meal plan adjustments must take place during posted meal plan change periods.

Refer to University-approved housing Appendix A at the end of the residence life section of this handbook for a description of policies and benefits of University-approved housing.
Housing Assignments, Placements, and Fees

Deposit
The University housing deposit will hold a student’s space in any of the University’s residential facilities. This deposit may be transferred from year to year so long as the student remains in University housing or is temporarily studying abroad or at Harlaxton College.

Once a student leaves University housing, the deposit will be refunded in full, minus any charges for damages or fines, and minus any balance left on their student account. When a student cancels their contract, the housing deposit shall be refunded in accordance with the contract cancellation guidelines outlined in this handbook, in the residence life section of the University website, or in other materials published by the University.

Assignment of Housing
An individual must be enrolled full time with the University and must be making progress toward completing enrolled hours to reserve a space in housing. Most residence hall space is assigned as double occupancy. Village spaces are assigned as either private or multiple person units. Occupancy can be 1 to 5 people. Vacancies within individual Village units are the responsibility of unit residents. The University of Evansville operates under a nondiscriminatory policy with regard to race, color, gender, identity and expression, creed or religion, national origin, age, disability, veteran status, and all federally protected groups/classes.

Gender Placements and Gender Inclusive Housing. The University initially assigns all roommates for students based on legal sex. Within approved Gender Inclusive Housing, students may choose roommates regardless of legal sex or gender upon mutual agreement and as part of this process. Gender inclusive housing is defined as housing options that are supportive of the gender identity and sexual orientation of students. Depending on the specific needs of the student, this type of housing may take the form of private rooms, private or semi-private bathrooms, designated mixed gender suite or apartment configurations and/or a designated gender inclusive floor. For more information on gender inclusive housing refer to the residence life section of the University website under Student Housing Options. www.evansville.edu/residencelife/campushousing/genderinclusive.cfm

Accommodation requests. Students who have documented disabilities or health concerns should contact Disability Services and submit a Request for Accommodation in Housing available within the residence life section of the University website under Disabilities: www.evansville.edu/residencelife/housingapply/new/disabilities.cfm. Disability Services can be contacted by calling 812-488-2663. The completed request and documentation should be forwarded to Disability Services. Disability Services will review the request with Residence Life in order to determine the appropriate accommodations.

Exceptions and modifications. The director of residence life determines exceptions and modifications to housing policy. This includes, but is not limited to, space allocation, credit hour requirements, filling vacancies, temporary assignments, consolidations, gender assignments, disability accommodations, reserved housing, theme living, and contract cancellations. With the approval of the director of residence life, individuals who are not full-time students (i.e., part-time students or a student’s spouse, domestic partner, or child) may be assigned and billed according to standard unit occupancy levels and rates on a space–available basis.

Rights of the University. The University reserves the right to make or change assignments, assign a new roommate, or consolidate spaces at any point of the academic year based on the needs of the program. The University also reserves the right to cancel a housing contract for academic failure, non-payment for services, breach of contract, criminal behavior, or violation of rules of conduct or housing regulations as outlined in the Student Handbook, in the residence life section of the University website, and in other materials published by the University.

Single rooms and consolidations. Except for rooms specifically built for single occupancy, all assignments in residence halls are intended for double occupancy. Students may obtain private rooms when space permits for an additional cost.

Students requesting a single room because of a documented disability or health concern should contact Disability Services and submit a Request of Accommodation in Housing available within the residence life section of the University website under Disabilities. Disability Services can be contacted by calling 812-488-2663. The completed request and documentation should be forwarded to Disability Services. Disability Services will review the request with Residence Life in order to determine the appropriate accommodations. www.evansville.edu/residencelife/disabilities.cfm

Vacancies – Residence Halls. When a student is without a roommate, there are a number of options:

- Move into another room with a chosen roommate.
- Have a new roommate move in.
- Accept the placement of a new roommate if made by the Office of Residence Life.
- Pay extra to keep the room as a single if space permits.

In matters of vacancy consolidation, the Office of Residence Life reserves the right to reassign space or assign a new roommate at any time.
Vacancies – Village units. Students who sign up for a Village unit are financially responsible for any vacancy that occurs within that unit. The remaining residents may identify a qualified replacement (with the appropriate number of hours and good standing with the University) or they may share the cost of the empty space as outlined by the Office of Residence Life.

Payment plans. Students should contact the Office of Student Financial Services to make adjustments if they move to another building or pay for a single room. This may have an impact on payment plans.

Returning Student Housing Registration Process
The application process for fall housing for returning students occurs during the preceding spring semester.

- **Returning students currently residing on campus.** For students who are currently on campus, their present housing and damage deposit can be carried over into the new contract year. Students should follow all procedures and due dates related to the room selection process to obtain or retain their housing assignment. This information will be made available in February.

- **Returning students not currently residing on campus.** For students who do not reside on campus, a contract should be submitted through WebAdvisor by published deadlines. If the housing deposit was previously refunded, a new deposit will be charged to the student’s account.

Period of Occupancy
To provide student housing at the highest value and lowest possible cost, there must be a consistent occupancy level in our residential facilities. For this reason, all housing contracts are binding for the duration of the academic year. UE will provide campus housing for the 2023-24 academic year (or the balance thereof) to the student who enters into a Housing and Food Service Contract.

See Dates at a Glance [www.evansville.edu/residencelife/dates/datesAtAGlance.cfm](http://www.evansville.edu/residencelife/dates/datesAtAGlance.cfm) in the residence life section of the University website for specific dates.

Occupancy for each semester begins on published dates and ends 24 hours following the last final of a student’s final exam schedule.

Residents are not permitted to move into and occupy their rooms prior to published dates, or to remain in their rooms after published dates without specific advance approval from the Office of Residence Life. Students who receive approval may be required to pay an early arrival or extended stay fee.

**Winter Break.** For Winter Break, the residence halls officially close at noon of the day following the last day of final exams and reopen on published dates before the first day of spring classes. While students may leave their possessions in their rooms at their own risk during this period, all students living in the residence halls are required to vacate their room during Winter Break. Any student approved to stay on campus during Winter Break will be required to move into a facility designated for winter housing. Additional housing fees and contracts for winter housing will be determined by the Office of Residence Life on an annual basis.

**Summer Break and Summer Housing.** Residents may not leave personal belongings in their rooms during the summer. Storage is available on a limited basis. Students may elect to enter into a summer housing contract and reside on campus in a facility designated for summer housing. Food service is usually not provided over the summer. Additional housing fees and contracts for summer housing periods will be determined by the Office of Residence Life on an annual basis.

Moving Out of Housing
**Students should officially depart within 24 hours following their last exam.** Graduating seniors and those participating in graduation may remain in housing until noon the day following commencement if they complete an extended stay request. Personal property left after checkout times will be removed by the University.

For in-person check-outs, students must schedule their appointment 48 hours in advance. At a checkout appointment, the room and hallway must be vacated and clean, and all room furniture must be reassembled in posted standardized configurations. The RA will check the room and furnishings for damages. Students will provide the RA with the room keys, fill out all paperwork, and sign the checkout form during their checkout appointment. Students may be charged additional fees at check-out:

- Failure to attend a mandatory closing meeting: $25
- Rooms that require extra cleanup after checkout: $40 plus any additional labor costs
- Failure to check out properly: $50
- Failure to return room keys: $25
- Additional charges may be assigned, as necessary.

Information regarding the move out process is shared during mandatory closing meetings at the end of each semester. Information is also available within the closing edition of the residence life e-newsletter, on bulletin boards on every floor, and in the residence life section of the University website.
Financial Aid and Housing

Full renewal of UE gift assistance for students who live on campus may be dependent on continued living in UE housing. Students wishing to reside off campus after fulfilling their residency requirement (effective at their point of entry to UE) should consult with the Office of Student Financial Services about the effect on their UE gift aid.

Student Responsibility of Charges

Students are responsible for all institutional charges. If any payment is not paid when due, the entire balance, including accrued interest, shall, at the option of the University of Evansville, become due and payable on demand. In the event of any default, the student will be obligated to pay all collection costs and attorney fees incurred by the University of Evansville in the collection of these charges.

Contract Cancellations and Refunds

There are specific guidelines regarding contract cancellation requests.

New students. Deposited students who choose to not attend the University forfeit their housing deposit.

Continuing students. Students have until published deadlines to cancel their housing contract for the next academic year/semester. Cancellation requests are reviewed in accordance with University residency requirements.

Acceptable Housing Cancellation Requests

The only reasons that a housing contract can be cancelled after published deadlines for the next academic year/semester are for the reasons listed below:

- Attending Harlaxton College or studying abroad during the semester
- Residing locally with parents or legal guardians (Students/parents/guardians must complete a verification form from the Office of Residence Life)
- Participating in any of the following that are outside the Evansville area: a full-time internship, a required clinical, an approved co-op, or student teaching
- Transferring, withdrawing, or graduating (student must notify the DOS office)

Students who have approved cancellations after the start of the semester will receive refunds as outlined under the University refund policy in the Student Handbook. Exceptions include cancellations for fraternity move-over.

Unacceptable Housing Cancellation Requests

Housing contracts will not be cancelled after April 5 because a student has found an off-campus property or has entered into another housing agreement or lease with a private landlord. Students who are not approved to cancel their contract are still financially responsible for their housing contract.

Withdrawing for Academic or Medical Reasons

A student who is permitted or required to withdraw from the University for significant academic or medical reasons will receive refunds as outlined under the University refund policy in the Student Handbook.
Cancellations for Fraternity Move-Over

Individuals moving into fraternity houses must cancel their housing under guidelines for fraternity move-over. These guidelines can be obtained from the Office of Residence Life. Students who choose to move into a fraternity house yet fail to terminate their housing as required in the guidelines for fraternity move-over, will be responsible for housing charges up until the date of their cancellation request. Students who fail to move into their chosen fraternity house within the posted window of time for move-over forfeit their privilege to move into the fraternity for the Semester.

See more on Housing Cancellations at www.evansville.edu/residencelife/cancellationsandrefunds.cfm.

Food Service Plan

As part of the Housing and Food Service Contract, all students residing in UE residence halls must participate in one of the following meal plans:

- Anytime Prime 7
- Anytime Orange 5
- Anytime Purple 7
- Aces 12

Village residents*, fraternity house residents, and seniors living in residence halls have the option of purchasing the Aces 7. Meal plans are optional for Village residents, fraternity residents, or commuters.

*Sophomores (second year students) approved to live in Village Housing are required to have a full meal plan.

Students living in Greek Housing who entered the University in Fall 2022 and thereafter will be assigned and billed for the Aces 7 meal plan but are welcome to choose a larger plan. Meal plan adjustments must take place during posted meal plan change periods.

Students with a meal plan who move to Villages or fraternity housing after the meal plan change deadline must wait until the beginning of the following semester to change or drop their meal plan.

UE provides meals according to the plan selected during the period of occupancy. No meals are provided during the Fall, Thanksgiving, Winter, Spring, or Easter Breaks. No meal plan is available over the Summer terms.

Meal plans can be changed at semester breaks as posted within the Residence Life section of the University website.

The residence life section of the University website provides additional details on plans and options. More information regarding the food service plan is also available under Dining Services in this publication. It includes general information regarding policies and services, including:

Residence Life Policies

Alcohol and Drugs within Student Housing

**Drugs.** The University prohibits the possession, consumption, use, production, or sale of illegal drugs or unauthorized prescription drugs. Violations of policies related to drugs will result in University disciplinary action.

**Alcohol in Residence Halls, Villages, and Approved University Housing.** Except as indicated under 21+ guidelines, the possession, consumption, use, production, or sale of alcohol is prohibited in all university student residences and common areas inside and outside of all university residential properties. The possession, consumption, use, production, or sale of alcohol is prohibited in all residence halls and all common areas inside and outside of all University residential properties. All members of the campus community and guests are expected to abide by Indiana State Law and University policies governing the possession, consumption, use, production, or sale of alcohol.

While no alcohol is generally allowed in any university student residences, students of legal age who have been approved for 21+ status are allowed to possess and consume alcohol within certain university guidelines. Students living in residence halls are not able to obtain 21+ Status. Residential Coordinator and Head Resident Apartments may be approved for 21+ Status. For information about 21+ status policies, see the residence life section of the University website.

Students may be subject to disciplinary action for unauthorized possession, consumption, use, production, or sale of alcohol. Action may also take place for unauthorized possession of empty alcohol containers or if present where violations of the alcohol policy occur. Persons found in violation of the alcohol policy are subject to a range of disciplinary action as outlined under the Residential Discipline Process and/or in accordance with the Student Code of Conduct.

**Approved Greek Social Events.** Students who are of legal drinking age may possess and consume alcohol within university guidelines for Approved Greek Social Events. See details regarding Approved Greek Social Events available in the Student...
Resources for Students. The Drug and Alcohol Abuse Policy and Prevention Program for Employees and Students found under General Campus Policies in the Student Handbook covers information related to:

- Legal sanctions for alcohol and drug use
- Disciplinary action
- Drug and alcohol violation disclosures
- Suspension of eligibility for drug-related offenses
- Health risks
- Resources and assistance
- Crisis lines available

Responsible Good Neighbor Exemption. If students find themselves in a situation where they believe someone’s health and safety is at risk due to excessive alcohol consumption, they should always call for emergency assistance, regardless of concern about the University disciplinary process. Students should call the Office of Public Safety at 812-488-6911 (or ext. 6911 from campus phones) immediately if there is any possibility that professional medical assistance is necessary for the health and safety of another person. The University has made an amnesty provision for students through the Responsible Good Neighbor Exemption. This exemption provides students the opportunity for University disciplinary action to be waived if medical or other emergency assistance for another has been sought. The decision to grant the exemption shall be at the discretion of the dean of students or their appointee and may be contingent upon participation in an educational program focusing on risky behaviors in college. Students should also be aware that the State of Indiana provides similar immunity from some alcohol-related criminal charges under the Indiana Lifeline Law. More information about the Indiana Lifeline Law can be found at indianalifeline.org.

NOTE: The Responsible Good Neighbor Exemption does not apply to any criminal charges that might be incurred as a result of an offense.

Appliances, Cooking, Refrigerators, and Allowable Items

Appliances. All appliances and fixtures used in student rooms must be UL approved. Total amperage per room should not be excessive.

Cooking. A full kitchen is provided in each residence hall and in New Hall. For safety and health reasons, most food preparation that requires cooking is permitted only in the kitchen areas of our residential facilities. Any food stored in rooms should be kept in sealed containers to avoid attracting pests.

Refrigerators. Students may bring small refrigerators and microwaves. Students in New Hall have access to a full-size refrigerator in their pod but can also rent or bring a small refrigerator and microwave.

What to Bring and What to Leave Behind

**Items Approved in Student Rooms:**

- Power strips with fuse and surge protection
- Grounded UL approved heavy duty extension cords (used in a safe manner)
- Christmas lights (recommended only around windows)
- Hair dryers/curling irons/straighteners
- Clothes iron
- Radios and sound equipment (played at reasonable levels)
- Coffee and espresso makers (no steam attachments)
- Toasters, electric tea kettles, and low heat crock pots/rice cookers
- 4 oz. or less of properly handled Zippo Refill fluid

**Items Not Approved in Student Rooms:**

- Ungrounded light duty extension cords/octopus plugs (ungrounded or without a fuse)
- Toaster ovens, induction ovens/plates, electric griddles, or hot plates
- Open-coil or high heat cooking appliances (including George Foreman grills and sandwich-makers)
- Candle warmers, burning/buried candles, or incense
- Portable heating or air-conditioning units
- Halogen lamps
- Tapestries, posters, or other flammable materials draped across the ceilings
- Christmas lights wrapped around furniture or doors, touching wood surfaces, or against the ceiling
- Radio transmitters and exterior antennae

Note: Prolonged use of moisture producing appliances (such as rice cookers, crock pots, coffee pots, tea kettles, humidifiers, diffusers, etc.) can cause additional moisture to build up in the room. Care must be taken to not create an environment where condensation creates problems.

Some kitchen appliances can be approved on a case by case for use in common area kitchens or in apartment kitchens. Check with a Residence Life staff member for more information.
Approved Animals
Tropical and freshwater fish that are legal to own in the state of Indiana, service animals, and emotional support animals that have been approved through the Office of Disability Services are the only animals permitted in residential facilities. All other animals, including pets and lab specimens, are prohibited. Violations of this policy will result in a $50 initial fine. The student will be given appropriate time to remove the animal unless immediate removal is warranted due to safety concerns. Periodic room checks will follow. There is a double fine for a recurrence + daily fines for non-compliance.
For information regarding approval of emotional support animals, contact Disability Services at 812-488-2663. You can also find our policies online under our Disability Services webpages.

Approved Use of Residential Space
University residences are reserved for the sole purpose of residential living. Unless otherwise specified, living spaces cannot be used for the purpose of conducting a business (including contract work from a third party or babysitting).
Common areas in residence halls are reserved for specific uses as designated by residence life. Reservation of common areas can be made through the building residential coordinator.

Unauthorized Access. Students and their guests may not enter any unauthorized or unapproved areas within any residential facility or its exterior areas. This includes, but is not limited to, maintenance or custodial areas, construction zones, roofs, windows, or window ledges.

Care and Condition of Room and Common Areas
Students are to provide normal housekeeping and to use reasonable care within their assigned residence, including all furniture and equipment. All furniture is to be left in designated locations except where allowed.
Students must complete a room condition report (RCR) at check-in and check-out. Charges will be assessed for damages and unauthorized alterations to rooms, furniture, or equipment. Charges will also be made for special cleaning necessary due to improper care of the room, furniture, or equipment. Generalized fees are outlined on posted flyers. Specific fees will be assessed after check-out. Students who do not follow the formal check-out procedure will be assessed an improper check-out fee.
Students are jointly responsible for care of public areas, including furniture and equipment. Charges for damages to public areas may be made to all students assigned to specific wings, floors, halls, or areas as appropriate. Any student who causes damage (or whose guest causes damage) to residential space, furniture, or equipment will be assessed for such damages.
Rooms may be periodically inspected for housekeeping, damage, and maintenance problems. Charges for cleaning and damages are based upon labor, repair, and replacement costs to restore the room to its original condition. All charges must be paid at the Office of Student Financial Services prior to registration for the following semester. In some situations, disciplinary action can be taken in addition to cleaning and replacement costs.

Decorating
Room decorations are encouraged as long as they do not create health or fire hazards or cause damage to the room or furnishings.
When decorating, the use of nails, screws, or tacks on or in the walls, doors, furniture, or fixtures is prohibited. Duct tape, two- sided foam tape, contact paper, and wall decals are also prohibited.
Most residence hall properties are constructed using cinder block walls and semi-gloss paint. Village properties are typically constructed with sheet rock painted with flat coat or satin paint. Additional care must be taken to maintain clean and undamaged walls in Village properties. Avoid contact that would result in soiling or damaging the wall. The use of poster putty is not approved for use in Village properties or New Hall.
Command Strip products are recommended if instructions for application and removal are followed and no damage results – even so, students are still responsible for any potential damage when using these or any other products.
Alcoholic beverage containers are not considered decorative and are generally prohibited.
If you are in doubt about decorations, check with residence life staff within the building. They can provide details regarding holiday decorations too.
Furniture and Equipment

Furniture/Beds/Lofts
Room furnishings for double rooms include twin bed frames and mattresses, shades/blinds, desks, desk chairs, closets, and dressers. In some rooms, these items are built in. Fixed or built-in furniture may not be moved or altered.

The residence halls come with beds that are designed to be bunked or lofted. All residence halls can be bunked or lofted by students using supplied lofting equipment (mallets and wrenches are available for check-out in the Hall Office). Student-built lofts are not allowed. Waterbeds are prohibited because of facility limitations and potential for water damage.

Portable furniture may not be removed from the room under any circumstances without the permission of the residential coordinator responsible for the building.

All room furniture must be reassembled in posted standardized configurations at checkout.

Heating/Air Equipment - Reducing the Potential for Mold
Controlling room climate is essential to the success of managing indoor air quality and comfort.

Follow these guidelines to reduce the potential for mold growing in your room:

- **Maintain adequate clearance around HVAC units.** Clearance measurements are found in your building’s Move-In Guide. Reduced air flow to the HVAC system can result in excess moisture and promote mold growth within the system and rooms. Rooms should be arranged so that the unit is not blocked with furniture or other objects.

- **Set thermostat to a reasonable temperature.** Turning the thermostat to medium or 70-75 degrees provides a reasonable temperature within rooms. Turning the unit off or setting it too cold in the summer will cause condensation issues. Set it to a reasonable temperature and allow it to run automatically.

- **Using your blinds.** Open blinds during the day. When you do have the shades closed, try to maintain a gap at the bottom of 6-8” to allow for ventilation between the shade and window.

- **Do not open windows.** The condensation created by open windows (hot air) mixing with conditioned HVAC air (cool air) is capable of creating significant mold and moisture problems.

- **Dealing with condensation or other issues.** If you experience minor condensation on window ledges, wipe it clean with a clean cloth or paper towels. Any household cleanser can be used following the proper directions on the container.

If you notice mold, any recurring problem, or if you feel your HVAC unit is not functioning properly, contact your Resident Assistant, Residential Coordinator, or the Office of Residence Life. A Residence Life staff member will do an initial inspection and contact the Facilities Office.

The air/heating system in Moore Residence Hall is designed to provide for a continual exchange of fresh air. Opening windows in this building disrupts the air conditioning system. There are no screens supplied for this building. For these reasons, Moore Residence Hall room windows are to remain closed.

For full information on maintaining healthy living spaces, see: Promoting Healthy Indoor Air Quality in University Housing as provided under Policies on the Office of Facilities Management and Planning Web pages.

Equipment Available in the Office

**Kitchen equipment.** Kitchen items are provided in the halls on a limited basis. Students are requested to show consideration for their fellow residents by cleaning and returning kitchen items after use.

**Other equipment.** In some cases, halls provide other equipment, such as DVDs, video game consoles, board games, tools, sports equipment, and kitchen equipment for student use. The check-out process varies from hall to hall.
Overnight Guests, Visitation, Minors, and Escort Policies

The right of any person to sleep, study, or simply enjoy privacy will always take precedence over a person’s privilege to host guests/visitors in the room. A person should not be compelled to leave their room in order to accommodate a guest or visitor, nor should they be placed in situations that might cause embarrassment or inconvenience. It is for these reasons that we have set up policies regarding overnight guests, visitation, minors, and escorts.

Overnight Guests

Students may have guests stay in their rooms, providing that:

1. The roommate has fully agreed to the guest visit
2. Others living within the shared unit (pod, apartment, or house) have fully agreed to the guest visit
3. The guest is properly escorted in the living unit and common areas and uses a restroom that corresponds to their gender identity.

Guests include registered UE students or non-UE visitors. Guests are allowed to stay no longer than three days within a 10-day period. Guests should not disrupt the normal activities of the floor. Any disruptions can result in the guest being asked to leave.

Guests are subject to all University and residence life rules and regulations. Students are responsible for the actions of their guests.

It is recommended that residents notify the RA when having a guest stay in their room.

Visitation

24-Hour Visitation Floors  Most floors in the residence halls are designated as 24-hour visitation floors. Having a floor designated as 24-hour visitation is a privilege and not a right. Roommates should never feel compelled to accept or accommodate another person’s guest or visitor. The success of 24-hour visitation floors depends on the maturity and responsibility of the students who live on these floors. All Village units are 24-hour visitation properties and follow the same guest policies as the residence halls.

Restricted Visitation Rooms  Rooms in which a minor resides are automatically considered a restricted visitation room. The hours for visitation for this student and their roommate default to the hours outlined below.

<table>
<thead>
<tr>
<th>Sunday through Thursday</th>
<th>Friday and Saturday</th>
</tr>
</thead>
<tbody>
<tr>
<td>10:00 a.m. to midnight</td>
<td>10:00 a.m. to 2:00 a.m.</td>
</tr>
</tbody>
</table>

Minors If a resident hosts a guest/visitor who is under the age of 18, that host is responsible for the proper care and supervision of the minor. See the University of Evansville Protection of Children Policy for more information.

Escort Visitors and guests must be escorted at all times by a resident of the building. We ask that all students, visitors, and guests adhere to this policy to help secure the privacy and safety of building residents.

Harassment

Harassment of any kind is unacceptable at the University of Evansville and is in conflict with the policies and interests of the institution. Harassment is defined as verbal or physical conduct which has the intent or effect of unreasonably interfering with the individual’s or group’s educational and/or work performance, or creating an intimidating, hostile, or offensive educational and work environment.

Instances of sexual harassment and gender-based harassment falls under the Title IX and other Sexual Harassment and Misconduct Policy. Instances of harassment or discrimination related to race, color, gender, gender identity and expression, sexual orientation, creed or religion, national origin, age, disability, veteran status and all federally protected groups/classes falls under the Harassment and Discrimination Policy.
Hazardous Behavior

Fire hazards. Starting even small fires, using fireworks, burning candles or incense, pulling pranks involving fire, turning in a false alarm, or tampering with any fire safety equipment poses severe safety hazards to all residents in a building. Anyone caught tampering with the fire safety equipment or violating these regulations can be subject to civil prosecution and significant University disciplinary action.

Explosives and weapons. The Office of Public Safety enforces all federal, state, local statutes and University regulations pertaining to the possession and/or use of firearms, ammunitions, explosive devices, fireworks, or other potentially lethal weapons. All of these items are strictly prohibited on University owned or controlled property regardless of whether a federal or state license to possess the same has been issued to the possessor. Any violations of these statutes and regulations may result in disciplinary action as well as criminal prosecution.

What is considered a weapon or explosive?

- Any firearm or device such as a handgun, rifle, shotgun, pistol, or blowgun that can launch a projectile.
- Blades over four inches long or any sharp-edged item that is used with the intent to threaten or do bodily harm.
- Blunt objects fashioned to cause injury or bodily harm, or any blunt object used with intent to threaten or do bodily harm.
- ANY item used with the intent to threaten or do bodily harm.
- Explosives are any device designed to explode, either timed or fused, that would cause serious damage or bodily harm.
- All fireworks are covered under this policy including sparklers.

*Reasonable exceptions for knife lengths are allowable for appropriate usage of standard cooking knives in kitchens in Village housing.*

Health and Safety Inspections

To ensure compliance with proper health and safety standards, all residence hall rooms, houses, townhouses, and apartments will be inspected at least once each semester. Notice will be given to residents prior to the inspection. Residents who do not pass the inspection will have 48 hours to make the necessary changes. Additional information on the health and safety standards will be provided to all residents.

Keys and Access Cards

Each resident is issued one room key at the time of moving in. All keys and access cards remain the property of the University. No key or access card may be duplicated. Keys must be returned at the time of checkout. Students are not permitted to give their keys or access cards to other persons ($50 fine).

If a key is lost, students should request a replacement from the Office of Residence Life (open Monday through Friday, 8:00 a.m. to 5:00 p.m.) or through The Office of Public Safety (nights and weekends). For security reasons, the lock core will be changed whenever a replacement is needed. There is a $25 charge for the re-core and a new key.

The roommate’s key will be replaced at no cost with the exchange of their old key. Failure to exchange the old key or failure to return an old key found after a re-core has been made will result in a $25 charge.

If an ID/access card is lost, students should immediately inform the Office of Public Safety (open 24 hours a day). Cost for replacement ID/access cards are $15. Temporary access cards are available in the Office of Public Safety.

Mandatory Meetings

Mandatory meetings are usually scheduled at the beginning and end of each semester. These are designed to provide essential information regarding important policies and procedures within the residential living areas. Other mandatory meetings may be scheduled to address ongoing issues or concerns on the floor. If it is not possible to attend one of these meetings it is important to contact the residential coordinator prior to the meeting to make alternative arrangements. Failure to attend a mandatory meeting without prior approval results in a $25 fine. These meetings may be in person or delivered in a virtual setting.

Motor Vehicles, Parking, and Bicycles

The University requires that any vehicle that will be used as transportation to and from campus must be registered with the Office of Public Safety whether or not the vehicle will be brought onto campus. There is no charge for this registration.

Parking permits. All students must have a current and valid University parking permit to park on campus at any time. Parking permits may be obtained by registering for a permit through the UE self-service portal link. Color-coded permits will be issued indicating the specific areas in which they are eligible to park.

Motorcycles. Motorcycles are governed by University motor vehicle regulations. Motorcycles may be parked only in areas designated for motorcycle parking. Any motorized cycle found inside a residential facility will be considered a fire hazard and must be removed.

Bicycles. There are bike racks located across the campus in all the most convenient locations. Students may store their bicycle inside their residence hall room, assuming that there is enough space and roommates agree on this solution. We ask that students do not ride their bikes inside residence halls. Bicycles are permitted anywhere on campus, except inside
academic and administrative buildings. Bicycles may be registered through the Office of Public Safety. While this will not prevent theft, it may help in recovery.

**Village parking.** All apartment complexes and townhouses have parking areas dedicated for use only by the residents of these facilities who have a valid University Villages permit designated for that facility. All other vehicles from the campus community parked in these lots are subject to issuance of a University parking violation citation.

University houses have limited parking available in drives or designated parking areas. Parking is not guaranteed for all residents of the house. No parking is allowed on sidewalks or lawns. Vehicles parked on sidewalks or lawns are subject to parking citations and charges for damaged landscaping. If additional parking is required, we recommend using a University parking permit in a student parking lot.

Residents of apartment complexes with assigned parking areas will be issued color-coded permits allowing them to park in the parking areas assigned to the complex.

For more about parking regulations see the Public Safety website: [www.evansville.edu/safety](http://www.evansville.edu/safety).

**Noise – Living in a Community**

**Quiet hours.** Community living in an academic setting requires that residents respect the rights of others to study and sleep. Primary quiet hours are from 10:00 p.m. to 10:00 a.m. The duration of quiet hours may be increased by vote of the residents and approval of the residential coordinator. Each student has the responsibility to ask another to be quiet, close doors, turn down sound equipment, etc., to maintain quiet hours. During Reading and Study Day and finals week, residential facilities are under continuous quiet hours.

**Sound equipment.** Sound equipment may be brought to campus and to rooms. However, the right of residents to study and sleep is more important than any right to play music. If you like your music loud, you may want to consider using headphones.

**Personal Property**

The University of Evansville and the Office of Residence Life assume no responsibility for theft, damage, or loss of money, valuables, food stuffs, or personal belongings of any student or guest. It is recommended that students make arrangements to insure any property brought to school through homeowners insurance or private property insurance.

**Roommates and Room Changes**

Living with a roommate can be a rewarding experience and may lead to a lasting friendship. This experience will be enhanced by following a few basic suggestions:

- Establish some ground rules and keep communication open.
- Make an honest attempt to get to know each other.
- Discuss likes and dislikes openly.
- Share and respect your roommate’s feelings.

In the event of roommate conflicts that appear beyond discussion, contact your resident assistant or residential coordinator.

No room changes, including roommate changes, will be made during the first three weeks of the semester. After three weeks, room changes may be requested if space is available.

To make a room change, residents must first consult the resident assistant and residential coordinator of the floor and hall they are assigned to. If the residential coordinator decides there is a legitimate reason for a room change, the student will be referred to the associate director of residence life. The associate director will work with the student to coordinate the room change and set completion dates. The student initiating the room change is responsible for notifying the current roommate of the room change.

For tips and pointers on living with a roommate, see our Living with a Roommate resources: [www.evansville.edu/residencelife/roommate/](http://www.evansville.edu/residencelife/roommate/).

**Smoking, Tobacco Use, and Electronic Smoking Devices in and around Campus Residences**

All University residences and buildings are designated as tobacco-free facilities. Smoking in any form, the use of any tobacco products (smoked and smokeless), and the use of electronic smoking devices (e-cigarettes) are prohibited in residential housing, approved University housing, contiguous grounds, parking lots, and vehicles in parking lots. Reasonable evidence that smoking, tobacco use, or vaping occurred in a student room will be considered a violation of this policy.

The campus policy further restricts the use of tobacco products and electronic smoking devices anywhere on campus property and at any school sanctioned and/or sponsored activities or functions on campus. For a full description of the campus Tobacco-Free Policy and available resources, please refer to the University website: [www.evansville.edu/tobaccofree](http://www.evansville.edu/tobaccofree).

Students seeking information about smoking cessation resources should contact the University Counseling Center’s health and wellness coordinator at 812-488-2663 or seek out tobacco-free resources on our website: [www.evansville.edu/tobaccofree](http://www.evansville.edu/tobaccofree).

[Return to Table of Contents](#)
Solicitation
To protect residents from unreliable, illegal, and meddlesome peddlers, soliciting is not permitted in the halls. Special permission for student fund-raising projects may be obtained from the dean of students. Residents should report any solicitation in the residence halls or Villages to residential staff, the Office of Residence Life, or the Office of Public Safety.

Sports, Roughhousing
The University encourages positive social interaction and the ability to recreate within the residence halls. However, any activity that poses potential harm to person or property has no place in a residential facility. For this reason, any sports or roughhousing that is likely to be harmful is not allowed within residential facilities.

Students’ Right of Privacy (Entry of Students’ Rooms)
The University of Evansville recognizes and respects students’ right to privacy in their rooms. However, the entry into a room or room search of any student may be conducted by the following people for the following purposes:

- By law enforcement officials in the performance of statutory duties and in accordance with legally defined procedures for search and seizure.
- By University maintenance or custodial personnel to make repairs and to provide routine service.
- By authorized University personnel in emergency situations to provide for the health and welfare of students or to prevent damage to property of the student and the University.
- By a resident assistant, residential coordinator, or other appropriate University official when there is probable cause to believe a violation of University or civil regulations is being committed. Violations of Administrative Policies and Codes/Residential Discipline.

As a condition of the Housing and Food Service Contract, the student agrees to be aware of and abide by all published rules of conduct and housing regulations as outlined in this handbook, which can be found in the residence life and dean of students section of the University website. The student also agrees to maintain a proper standard of behavior and not disrupt the residential community.

Violations of the terms of the Housing and Food Service Contract or of any of the rules and regulations outlined in the Student Handbook may be handled through the campus judicial system, the residential judicial system, or addressed as an administrative violation. The University also reserves the right to treat such violations as a breach of contract.

Student housing assignments may change due to disciplinary action. Students removed from residential housing during the semester for disciplinary reasons are not entitled to a refund.

Administrative Policies and Codes
(Non-Behavioral Policies)
The Office of Residence Life has the authority to address violations of non-behavioral policies or codes that fall within the terms of the Housing Contract. Administration of these policies and codes are typically handled by a professional member of the residence staff. This may or may not include an administrative meeting. Examples of these types of actions are listed below.

Appeals should be requested in writing to the director of residence life within five business days of action taken based on:

1. Evidence that staff did not substantially follow administrative procedures.
2. New evidence that will materially impact the action taken.
3. That the sanctions imposed by the RC are believed to be too severe.

All appeals must be emailed within five business days to the Director of Residence Life (mt28@evansville.edu). All appeal requests must be accompanied by a written statement identifying the criteria for appeal (1, 2, or 3 above) and explaining the rationale for the appeal under the selected criteria and evidence to support that rationale. The decision to hear the appeal will be made by the Director of Residence Life and the Associate Director of Residence Life.

In the case of a check-out assessment, students have 30 business days to appeal in writing to the building supervisor (RC). The determination of the director of residence life in appeal cases is final.

Administrative policies and codes may be handled through the Residential Discipline Process if necessary (see below).

**Community Standards and Residential Discipline**

Any community must develop standards of conduct that serve as a guideline for fostering a healthy living environment. All University housing residents are expected to:

- Respect the physical and emotional rights of all other residents.
- Recognize and respect the educational mission of UE and the need to maintain an environment that supports this mission in a residential community.
- Properly care for the residential facilities.
- Recognize that academic and personal development are the primary reasons for residing in this community.
- Accept responsibility for their own behavior at all times.
- Report concerns or possible misconduct to appropriate residence life personnel.

**Residential Discipline Process**

**(Behavioral Policies)**

In cases of behavioral violations of residence life policy or violations of University policy that occur in or near residential facilities, the Office of Residence Life has been given the designated authority to handle residential discipline processes. A listing of University policies can be found under the Student Code of Conduct and policy sections of the Student Handbook. Behavioral breaches of policy that may be heard as part of the residential disciplinary process can include, but are not limited to:

- Violation of local, state, or federal laws.
- Violation of Alcohol and Drug Policy.
- Violation of Tobacco-Free Policy/Fire Safety Policies.
- Hazardous behavior as listed under Residence Life Policies.
- Destruction of property.
- Littering or intentionally harming the appearance of University property.
- Theft.
- Continued or serious violation of visitation, escort, or key policies.
- Quiet Hours/noise policy violations.
- Disorderly or disruptive behavior, especially that which disturbs other residents.
- Creating, encouraging, or participating in a situation detrimental to the health, safety, or welfare of the University community and its members.
- Violation of Harassment Policy
- Violation of animal policies.
- Illegal forms of gambling.
- Failure to comply with the order of a University official acting in accordance with University regulations.
- Failure to comply with UE COVID-19 measures published on the University Website, via official email or posted within campus buildings.

Some cases, depending on severity, may be automatically referred to the director of residence life or dean of students for University disciplinary action. Administrative action based on breach of contract may conclude some cases without further hearing. Decisions related to breach of contract are final and binding.

Procedures for University discipline can be found in the Student Handbook under Students’ Rights and Responsibilities.
Due Process in a Residential Discipline Case

Cases heard within Residence Life are generally handled through an Administrative Meeting. Persons found in violation are subject to a range of disciplinary action as outlined under the Residential Discipline Process and/or in accordance with the Student Code of Conduct.

Students shall be notified in writing regarding alleged violations of policy related to behavioral policies. The notification will request that the student contact an administrative officer within a designated time to schedule an appointment. At that appointment, the student will meet with the officer to discuss the incident. If the student fails to schedule or attend such a meeting, a determination can be made in their absence.

During an Administrative Meeting, the student will have the opportunity to verbally respond to the allegation of policy violation and provide his or her view of the circumstances. Outcomes and sanctions will vary based on the individual case and the determination of the administrative officer. Disciplinary action may include one or more of the following: no action, a verbal or written warning, educational assignments or referrals, community service, restitution, fines and/or residential probation. The director of residence life may authorize visitation restrictions, mandated room inspections, housing relocation, and/or eviction. The student shall be provided the outcome of the case in writing.

**Appeal process.** Appeals to the outcomes are to be made in writing to the director of residence life. This final appeal request must be submitted in writing to the Office of Residence Life within five working days from the date of notification of action. Appeals will be heard upon review solely for the following reasons:

1. There is evidence that procedures outlined for the Administrative Meeting was not adequately followed.
2. There is new evidence that will materially impact the original decision, and this evidence was not presented during the meeting for good cause as determined by the director of residence life.
3. The sanctions imposed by the Hearing Officer are believed to be too severe for the violation that the person was found to be responsible.

All appeals must be emailed within five business days to the Director of Residence Life (mt28@evansville.edu). All appeal requests must be accompanied by a written statement identifying the criteria for appeal (1, 2, or 3 above) and explaining the rationale for the appeal under the selected criteria and evidence to support that rationale.

The decision to hear the appeal will be made by the Director of Residence Life and Associate Director of Residence Life. The Director of Residence Life may or may not meet with the student at their discretion. The decision on the appeal may be made based on a general review of the case and the student's written appeal.

After considering evidence and arguments, the Director of Residence Life can do the following:

- affirm the original finding and disciplinary action
- affirm the original finding/adjust the sanction to a higher or lower level
- reverse the original finding/dismiss the charges
- reverse the original finding/order a new hearing

The director's appeal decision is final.

In the case of an original hearing being held by the Director of Residence Life, the request for an appeal will be directed to the Dean of Students or their designee.

Services and Resources

**Computing**

The residence halls have both Wi-Fi access and two hard line Ethernet ports in student rooms. Common areas are also covered with Wi-Fi.

- Pod Housing has both Wi-Fi access and hard line Ethernet ports in student rooms. Common areas are covered with Wi-Fi.
- In the Villages, Jones Hall has similar access as residence halls, with Wi-Fi throughout and an Ethernet port in each student room and apartment living room. Other Village housing does not have Ethernet port access provided by the University. Wi-Fi is available, though the strength of signal and speed cannot be guaranteed. Some apartments or houses may not have access to wireless.

For a complete list of what works where, see our “Technology on Campus” page [www.evansville.edu/residencelife/services/servicesComputing.cfm](http://www.evansville.edu/residencelife/services/servicesComputing.cfm).

For assistance with campus computing see: [https://ots.evansville.edu/support/](https://ots.evansville.edu/support/).
Laundry

Each residence hall has a laundry room, and there are three laundry rooms located throughout the Villages. All laundry machines are available to building residents at no cost, though students will need to buy their own HE (High Efficiency) soap. Working with CSC Service Works, UE provides front loading, high capacity, high efficiency Maytag washers and dryers for UE residents.

All residence halls and Jones Hall have access to LaundryView®, a web-based monitoring system that displays open machines on campus. TextMe™ alerts notify students when their laundry is done.

See the Residence Life section of the University Website for more information about service repairs, LaundryView®, and TextMe™ under Services. www.evansville.edu/residencelife/servicesLaundry.cfm.

Mail Services/Distribution Services

Student mail. Upon check-in, each student receives a mailbox assignment. Mailboxes are located in lobbies of residence halls. Village residents have mail delivered to a central bank of boxes for apartments or delivered to their door if in a house. Mail addressed to students should be formatted as follows:

Name  
Hall name (optional)  
Hall address, room number Evansville, Indiana 47714  

DO NOT include University of Evansville in the address.

See more about mail at http://www.evansville.edu/residencelife/services/servicesMail.cfm

Repairs

Minor repairs. Minor repair needs should be requested through a work order available through WebAdvisor. After submitting this work order, a member of the maintenance staff will make the repair or assess the problem during standard working hours. While some repairs can be made immediately, two or three days should be allowed for any action on a request.

Emergency repairs. Major problems that require immediate attention (e.g., door lock, water leak, loss of heat) should be reported directly to the Physical Plant between 8:00 a.m. and 5:00 p.m., Monday through Friday. For additional assistance, it is important to contact the RA on duty or an RC.

If an emergency maintenance situation occurs after hours, call the Office of Public Safety at 812-488-2051 and ensure that your message is clear about the emergency work order. DO NOT SEND EMAILS OR LEAVE VOICEMAIL FOR THESE TYPES OF WORK ORDERS.

After making telephone contact, please follow up with an electronically submitted work order via WebAdvisor and mark the emergency work order priority as Immediate.

Please note on the work order the time you called in the request and with whom you spoke (include this in the description of work to be done).

See more about repairs here: www.evansville.edu/residencelife/repairs.cfm

Storage

Each hall offers a limited amount of storage space for students. During the school year, students can store empty suitcases, trunks, and boxes. During summer months, students can store other personal belongings with the exception of standing fans, lamps, cinder blocks, furniture, and carpets.

Items can be left in storage only during the designated period outlined on the storage waiver form. Property stored in University residence halls is done so at the sole risk of the owner. The University does not insure items left in storage. We recommend that students add stored items to their parent’s homeowners insurance or secure independent personal property insurance.

All items placed in storage must be stored in boxes and properly identified with the ID slips provided. If items are not properly identified and labeled, ownership will be relinquished, and items will be removed as stated on the storage waiver form.

When the storage period is terminated, all stored articles must be removed. Items that are left behind will be removed and disposed of by the University (the student may be charged if there are any fees associated with that disposal).

Limited storage space is available during summer months for personal belongings of students who are returning to campus. There is no storage for standing fans, cinder blocks, lamps, furniture, or carpets.
**Telephones**

*Room telephones are not provided in residential housing.* However, phones required for special needs will be made available by contacting the Office of Technology Services.

**Hallway phones.** Located on every floor in traditional residence halls are hallway phones for emergency service and local calls. Dial 9+812+local number to complete a local call. Long distance calls can be made with the use of calling cards. To make a long-distance call, dial 9 and follow the instructions for your calling card.

**Healthy Living on Campus**

When entering into any group living situation, it is always a good idea to discuss vaccination recommendations with a family physician or local health department. Specific questions should be addressed by your family physician, or you may call the University of Evansville Crayton E. and Ellen Mann Health Center at 812-488-2033. Good nutrition, an adequate amount of sleep, along with general cleanliness and good hygiene will help all students have a healthy year at UE.

**Immunizations and TB Guidelines**

Visit Med+Proctor to obtain the required Immunization Certificate form. A licensed healthcare professional must complete and sign these forms. Alternatively, students may upload a copy of their complete immunization record, so long as it is signed by their medical provider. See our Website for required Immunizations.

**Required Immunizations**

- **MMR** (measles, mumps, and rubella) – Two doses are required. The first MMR must be given on or after 12 months of age. The second MMR must be given at least 28 days after the first dose. A positive MMR titer will be accepted in lieu of this vaccination series if no records are available.
- **Tdap/Td** (tetanus, diphtheria) – The Tdap or Td must be given within the last 10 years. The Tdap (tetanus, diphtheria, and pertussis) vaccination is preferred.
- **Meningococcal Quad** (MenACWY/Menactra) – Students 21 years of age or younger are required proof of one dose on or after the 16th birthday.
- **TB skin test/ QuantiFERON or TSpot** Must be performed and read in the United States within 12 months from the start of the semester. If a student has a positive TB skin test, further actions will be required.

Information regarding religious or medical exemptions to immunization requirements is available from the Health Center.

*Some programs of study have additional immunizations requirements. Please contact the program director for more specific guidelines for the program of study.

*Students NOT in compliance with these requirements before the start of classes, risk their eligibility to attend class, live in residential campus housing, and a hold will be placed on the student’s account until all requirements are met.*

Please contact the health center at 812-488-2033 with any questions regarding these required records.
Disposal of Medical Waste in Residential Facilities

The following instructions for the disposal of medical waste have been developed by the Office of Residence Life and the Crayton E. and Ellen Mann Health Center. Following these instructions will maximize the safety of students and staff members who live and work in residential facilities.

Medical waste (including needles, needles with syringes, IV tubing, lancets, etc.) or any sharp object that comes into contact with blood or other body fluids contaminated with blood, must be disposed of properly.

Students must use sharps needle containers and biohazard waste bags available through local pharmacies. If assistance is needed in obtaining a sharps container or biohazard bag, please contact the health center.

Filled sharps needle containers and filled biohazard waste bags must be returned to the health center for disposal.

Safety and Emergency Procedures on Campus

Uniformed Public Safety Officers are on duty on campus 24 hours each day. During evening hours, uniformed or student Public Safety officers perform residence hall safety checks. As part of their routine patrols, University Public Safety personnel monitor the areas around the houses, townhouses, and apartment buildings that make up the University Villages.

While taking every precaution, the University cannot assume responsibility for your personal security or the security of your possessions. Evansville is a good city in which to live while attending college. However, certain precautions should be taken concerning security for you and your property.

Suggestions for personal safety:
- Lock your door when you sleep and each time you leave your room.
- When leaving your room at night, tell someone when to expect your return.
- If you should be the victim of an attack or other incident, notify the Office of Public Safety immediately.

Suggestions for security of possessions:
- Record serial numbers and makes of all your items of value. Record the numbers of your credit cards (or make copies) and bank accounts.
- Keep money and valuables in a secure place. Do not keep large amounts of cash in your room.
- Keep your room locked. Keep your key with you. Do not let others borrow your key or ID card.
- Report strangers in the building to the RA, residential coordinator, or Office of Public Safety.
- If there is a theft or damage to your property, immediately notify the RA, your RC, and the Office of Public Safety.

For a listing of all Security and Emergency Procedures see: [www.evansville.edu/residencelife/security.cfm](http://www.evansville.edu/residencelife/security.cfm)

Fire Safety Procedures

The University takes a number of precautions to prevent fire in our residential facilities. The use of electrical appliances is regulated. Regular inspections are made by fire safety personnel. Fire extinguishers are placed on each floor. Fire drills are held each semester in residence halls and University-managed Greek housing. Participation in all fire drills is mandatory. Upon hearing a fire alarm, the following procedures must be observed:

- Close your room door, leave it unlocked, and proceed to the nearest exit quickly without running
- Clear the building by at least 50 feet

In the event of an actual fire, pull the fire alarm and warn other residents by knocking on doors and shouting as you leave the building. Notify the resident assistant, or residential coordinator if possible. Call the Office of Public Safety at 812-488-6911 from a safe location and provide them with as much information as possible. Read more on fire safety under Safe Living in the Student Handbook.

For a listing of all Security and Emergency Procedures see: [www.evansville.edu/residencelife/security.cfm](http://www.evansville.edu/residencelife/security.cfm)
Tornadoes and Severe Weather

Notification. The Office of Public Safety monitors a weather alert radio. If a tornado warning is issued for the campus area, students will be notified through the campus AceAlerts emergency notification system. Students in all residence halls, townhouses, and Jones Hall will be notified by the AceAlert system in the following manner:

- Text message if cell phone is registered with your profile
- Email messages
- AceAlerts system speakers on each floor or within each unit
- Students in the Villages properties will be notified by the AceAlert system in the following manner:
  - Text message if cell phone is registered with your profile
  - Email message

Take responsibility for your own safety. During severe weather, do not wait for notification by the University to evacuate to a safe zone. Tornadoes can strike with little or no warning and can travel at high speeds. When in doubt it is always advisable to proceed to your building’s safe zone.

Severe Thunderstorm Warning. In the event of a Severe Thunderstorm Warning with a threat of damaging winds, proceed to the safest area of the residence hall. Residents in village housing should seek safety in the safest area of the building.

Note: All severe weather warnings should be treated seriously. Extensive wind damage can occur during thunderstorms where strong straight-line winds are present. Falling limbs and trees pose serious threats regardless of the type of active warning.

Tornado guidelines – inside a building. Move to the safest area in the building. This will be on the lowest level of the hall. Clear stairwells as quickly as possible to avoid wind tunnel effects common in stairwells during tornadoes. Attempt to warn others and stay clear of glassed areas. Do not evacuate the building unless fire ensues or until you receive an “all clear” from security or an approved residence life staff member. Stay away from windows, doors, and outside walls. Protect your head.

Suggested safer areas in residential areas:

<table>
<thead>
<tr>
<th>Building</th>
<th>Safe Areas</th>
</tr>
</thead>
<tbody>
<tr>
<td>New Hall</td>
<td>First floor residential hallways away from windows — First floor pod bathrooms</td>
</tr>
<tr>
<td>Hale</td>
<td>East ground floor hallway</td>
</tr>
<tr>
<td>Moore</td>
<td>North and south basement main hallways</td>
</tr>
<tr>
<td>Powell</td>
<td>Lower-level hallways</td>
</tr>
<tr>
<td>Schroeder</td>
<td>Lower-level hallways</td>
</tr>
<tr>
<td>Villages and Fraternity Houses</td>
<td>Lowest level if available, closets, bathrooms without windows, interior rooms away from windows</td>
</tr>
<tr>
<td>Jones Hall</td>
<td>Lowest floor in corridors away from exterior doors and windows</td>
</tr>
<tr>
<td>Townhouses</td>
<td>Lowest level away from windows (laundry room and bathrooms are best)</td>
</tr>
</tbody>
</table>

Tornado guidelines – outside. If you are in a vehicle when you observe a tornado approaching, do not remain in the vehicle. If there is a sturdy structure nearby, go to the lowest level of the structure to obtain protection. If in the open, lie down in the lowest area possible. Be sure to move as far away from the vehicle as possible to avoid being struck by it.

Inclement Weather – Closings or Delays

The Office of Public Safety monitors a weather alert radio at all times. Decisions regarding school delays or closures shall be issued through the AceAlert emergency notification system and the Rave Guardian App.

- Text message if cell phone is registered with your profile
- Email message
- AceAlerts system speakers on each floor or within each unit of the residence halls, in the townhouses, and North Hall
- A message posted to the main page of the campus website
- Tune in to local radio and TV broadcasts when weather looks severe.

Students, faculty, staff, and visitors should use personal discretion when deciding to travel in inclement weather and should contact the appropriate persons in case of an anticipated delay or absence from work, class, or event.
Ace Alert – Update Your Profile

Ace Alerts is the University of Evansville’s emergency alert system. We have partnered with Rave Alerts as a resource to make sure you get alerts in a timely manner when they are sent out. All current employees and students are automatically signed up for an email alert and a text message if you have provided your cell phone number to the University. Please verify this information on Self Service. A test of the Ace Alert system will be conducted in the Fall and Spring semester each year.

Students living in the Villages or fraternity houses or commuting from home should update their profile to make this resource available. Ace Alerts is the primary form of emergency communication. Update your profile through Self Service or by following this link: www.getrave.com/login/evansville.

The Rave Guardian Mobile App

All students are encouraged to upload the Rave Guardian Mobile app on their smartphones. The app will send push notifications for Ace Alerts. The app will also allow users to communicate directly with the Public Safety dispatcher via the CHAT feature.

Other Emergency Procedures and Safety Guidelines

For more information regarding tips on safe living, refer to Safe Living in the Student Handbook. It provides additional information on theft prevention, the campus escort service, telephone safety, fire safety, inclement weather, tornado watches and warnings, earthquake procedure, electric shock, ambulance service, missing persons, emergency telephones, and emergency contact numbers.

Emergency protocols are also available on the Public Safety and the residence life section of the University Website. They are also available on evacuation fliers posted in residential rooms and common areas. For a listing of all Security and Emergency Procedures see: www.evansville.edu/residencelife/security.cfm

Residence Life Appendix A

University-Approved Housing

University-approved housing refers to a housing status available to recognize fraternities that own houses as a form of alternative housing for students and that request such status from the University.

Policies for University-approved housing. While fraternity houses operate under their own house policies, residents are subject to all University policies, regulations, guidelines, and all local, state and federal laws. Violations of University policies in fraternity houses will be handled through normal University judicial process. There are policies that govern students’ eligibility for fraternity housing and responsibilities assigned to the fraternity.

- University Residency Requirements outline that students who do not live with a parent or legal guardian must live on campus for a specified period of time. Students who have signed a bid may request to move into the fraternity house if they are in good academic and disciplinary standing with the University. In addition, the fraternity must be in good disciplinary standing and must facilitate the required paperwork as described by the University to expedite the move-over process.

- During the academic year, the fraternity house is to be occupied for residential use by full-time students. Exceptions may be made for part-time graduating seniors. Any other part-time students may be housed on a space-available basis and with the prior approval of the University.

- Students living in Greek Housing who entered the University in Fall 2022 and thereafter will be assigned and billed for the Aces 7 meal plan but are welcome to choose a larger plan. Meal plan adjustments must take place during posted meal plan change periods.

- As a result of University disciplinary action taken against an individual student or the fraternity, eligibility for fraternity housing may change at any time. The University also reserves the right to remove students from residing in the house if it believes the welfare of the student(s) would be better served living in University housing or other facilities.

- The University expects the fraternity to adhere to the same health and safety guidelines that are prescribed for University housing. A summary of these guidelines are updated annually and can be obtained from the Office of Residence Life. The fraternity assumes responsibility for conducting safety inspections of individual rooms on a routine basis and for enforcing health and safety guidelines as prescribed by the University.

- The Fraternity will carry Commercial General Liability (CGL) that meets or exceeds $1M per occurrence/$3M annual aggregate and sufficient real property liability, sexual abuse liability, and personal property insurance and/or require occupants to carry personal property insurance to cover up to 100% of the value lost due to accidents or catastrophic events. Also, personal liability coverage at least equal to the maximum liability limits set by the State of Indiana will be purchased. Evidence of such insurance shall be provided to the University on an annual basis, August 1, in the form of an insurance certificate that lists the University of Evansville as a certificate holder and additional insured on these policies.
The Fraternity agrees to the Infectious Disease Addendum to Approved University Housing Rights and Policies (“Addendum”) that further addresses Fraternity responsibilities associated with Infectious Disease which includes but is not limited to Novel Coronavirus (“COVID-19”).

Benefits of University-approved housing. There are certain benefits to the fraternity that accompany status as approved University housing. A few of these include:

- Fraternity houses are considered an approved alternative to living on campus in regard to University residency requirements and Financial Aid.
- Residents of fraternity houses may purchase any of the meal plans through the Office of Residence Life.
- During the summer, fraternities that own their own house may rent rooms to non-students who are eligible to be on university property, without approval from the University. However, those occupants and the fraternity will still be subject to and held responsible for the policies and rights of the University. A list of all occupants must be presented to the assistant director for Greek Life prior to move-in. The fraternity is responsible for updating the list, as needed, throughout the summer session.

Rights reserved by the University. In addition to the policies and benefits listed above, the University reserves all rights necessary to ensure the proper safety and protection of its students placed in any Approved University Housing facility. Those rights are:

1. The University may conduct monthly safety inspections of common areas and provide a written copy of the report to the chapter and to the housing corporation.
2. The University’s office of Public Safety and administration may serve as the first response team to any complaints regarding the behavior of the fraternity. Note: This does not eliminate or replace the authority of local or state law enforcement.
3. The University of Evansville recognizes and respects a student’s right to privacy. However, all approved University housing can be entered without prior notification of fraternity members for the purposes listed below:
   - By law enforcement officials in the performance of statutory duties and in accordance with legally defined procedures for search and seizure
   - By University personnel in emergency situations to provide for the health and welfare of students or to prevent damage to property of a student, the fraternity, or the University
   - By University personnel when there is probable cause to believe a violation of University or civil regulations is being committed
   - By University personnel conducting monthly fire and safety inspections of common areas

Nothing in these rights and policies is intended to diminish the fraternity’s ultimate liability to provide a safe environment for students. That liability resides solely with the fraternity and not with the University.

Failure to allow immediate access to an approved University unit upon request, or creating, encouraging, or participating in a situation detrimental to the health, safety, or welfare of the University community and its members will lead to severe sanctions, including the possible revocation of approved housing status. Any violation of the policies and rights listed above may result in the fraternity’s loss of “approved University housing” status and all benefits related thereto.
Dining Service

Introduction

The Office of Residence Life issues meal plans for students as part of the Housing and Food Service Contract. Dining services are provided by Chartwells.

Students living in a campus residence hall are required to purchase one of the following meal plans:

- Anytime Prime 7
- Anytime Purple 7
- Anytime Orange 5
- Aces 12

To provide student dining services at the highest value and lowest possible cost, there must be a consistent level of participation in our four basic plans (Prime, Purple, Orange, and Aces 12) by students living in the residence halls. As cooking facilities in the residence halls are limited, it is also important to minimize the number of individuals with reduced plans or no plans. For these reasons, all students living in the residence halls must participate in one of these meal plans.

Students living in Greek Housing who entered the University in Fall 2022 and thereafter will be assigned and billed for the Aces 7 meal plan but are welcome to choose a larger plan.

Village residents*, fraternity house residents, and seniors living in residence halls have the option of purchasing the Aces 7 as well as any of the other full meal plans. Meal plans are optional for commuters, Village residents, or fraternity residents (except as outlined in the paragraph above).

*Sophomores (second year students) approved to live in Village Housing are required to have a full meal plan.

Students with a meal plan who move to Villages or fraternity housing after the meal plan change deadline must wait until the beginning of the following semester to change or drop their meal plan.

UE provides meals according to the plan selected during the period of occupancy. No meals are provided during the Fall, Thanksgiving, Winter, Spring, or Easter Breaks. No meal plan is available over the Summer terms.

UE ID

- The University of Evansville ID card serves as the dining debit card for meals and Ace Bucks. A valid UE ID must be presented at all meal periods. The identity of the person presenting the ID must match the ID.

- Since this University ID serves as identification, gives access to meals and Ace Bucks, and provides security door access, it should never be loaned to another student.

- If an ID card is lost or stolen, notify the dining services office immediately. It will be placed on lost status and no one else can use it. Replacement cards may be purchased from the Office of Public Safety. Chartwells and the University are not responsible for charges on a card if it is not immediately reported as lost or stolen.
**Meal Plans**

Each meal plan offered to UE students is accounted for on a declining balance debit system to offer flexibility and ease to students. Meal plans for fall can be adjusted up until 5:00 p.m. on Friday of the first full week of school. Meal plans for spring can be adjusted up until 5:00 p.m. on the first Friday following the first day of class.

Below is a listing of residential meal plans. For pricing, please see Campus Dining in the Residence Life section of the UE website.

**Ace Bucks**

An option for purchase for Commuter Students. Supplemental for students with a Residential Meal Plan or the Select Plan.

Students living on campus (residence halls, Villages, or Greek Housing) who have an existing Residential Meal Plan can add Ace Bucks at any time. Students can purchase any number of Ace Bucks in $25 increments.
Using Meals and Ace Bucks
Students present their dining cards to the cashier indicating if they want to use a meal swipe or Ace Bucks.

Meal Swipes in The Eatery
- Students on Anytime Plans can access an unlimited number of meals in The Eatery. A meal swipe constitutes an entry pass into The Eatery.
- Students on the Aces 12 or Aces 7 plan may use up to three meals per day. Each meal swipe is deducted from the meal allocation balance. Any unused meals left at the end of each semester are forfeited.

Meal swipes are not valid for guest meals in The Eatery. Guest passes or Ace Bucks can be used to treat friends and family to a meal.

Buying a Meal in The Eatery with Ace Bucks, Cash or Credit. A meal can be purchased with Ace Bucks, Cash, or a Credit Card in The Eatery. To do so, students simply tell the cashier their preference.

Only Cash, credit or Ace Bucks are accepted at Chick-fil-A. The card is scanned, and the account is updated. Students may request a receipt at the register.

Carry Out Meals from The Eatery. Up to one carry out meal a day can be obtained with a meal swipe from The Eatery. This is done through the Green-To-Go Program, using re-usable containers. Students must sign up to be a part of the program. Upon entering The Eatery, students simply tell the cashier that they will be taking their meal to go, and they will receive the box. Then the student fills up their box with the menu items of their choosing (box must be able to close) and take their meal to go. There will be a tracking system in place so that guests may only have one box in their possession at a time. They will be able to turn in the box for a fresh clean one or if they do not want to carry the box around, it can be turned in and tracked so they may continue in the program. For full details please visit www.dineoncampus.com/ue

A carry out from The Eatery is limited to once per day.

Meal Exchange. Up to one meal a day can be obtained with a meal swipe at Rademacher’s Café or at Ace’s Place. This is called a meal exchange. A meal exchange will consist of a combo meal and will be made up of a qualified entree, drink, and a side. To do so, students simply tell the cashier they want to use a meal exchange to buy a combo.

Limitations on Carry Out and Meal Exchanges. Students are allowed up to one carry out and one meal exchange per day – this must be during different meal periods.

Ace Bucks
All full-time students who have paid their Campus Services Fee get a $50 allocation of Ace Bucks on their ID Card each semester. If a student has a meal plan, this $50 will be reflected first as their balance. Once the initial $50 is used, the remaining balance of Ace Bucks for their meal plan will be displayed.

Ace Bucks transfer to the spring semester when a student continues with a meal plan on UE’s home campus. Any unused Ace Bucks left at the end of the second semester will be forfeited. Ace Bucks are nonrefundable when a contract is ended or cancelled.

Additional Ace Bucks can be purchased at any time on the Chartwells Website or in person during office hours in the dining services office in the lower level of the Ridgway University Center.

Dietary Requirements
Whether a student has a restriction as required by a physician, or a cultural, religious, or other dietary need, Chartwells will work with UE students to ensure they maintain a diet consistent with those needs. Chartwells Dining Services offers a variety of options related to dietary needs and interests. Standard food selections are offered that meet the needs of students seeking vegetarian, vegan, or gluten free diets (to name just a few). For more information on these offerings, or to consult with Chartwells management, call 812-488-2951.

Students who have dietary needs or food allergies may request reasonable accommodations related to their meal plan. To do so, students should contact Disability Services and submit a Request for Dietary Accommodation Form available in the dining section of the residence life section of the University website. Disability Services can be contacted by calling 812-488-2663. Request forms and supporting documentation should be forwarded to Disability Services. Disability Services will review the request with Residence Life and Chartwells Dining Services. A follow-up meeting may be scheduled to discuss specific needs and establish a plan. Due to the severity of some allergic reactions, it may be necessary to inform appropriate staff of dietary restrictions.
Sack Lunches and Sick Trays

Students who have an academic or work conflict with mealtimes in The Eatery can order a sack lunch from Chartwells with at least 24 hours’ notice.

Sick trays also are available for students who are confined to their rooms by illness. Please contact the health center for authorization, then send both the authorization and the meal plan ID with the person designated to pick up the sick tray.

Dining Locations and Hours of Operation

The Eatery
The Eatery is the food hub on campus. This location offers several different entrée stations. The Student Choice station changes in concept periodically according with student preferences.

Safe Living

Public Safety

The University of Evansville Office of Public Safety is located at One South Frederick Street on the first floor of the General Services building. The non-emergency number is 812-488-2051; the emergency number is 812-488-6911.

Full-time Public Safety officers conduct regular foot and vehicular patrols of the campus 24 hours a day throughout the entire year. Clerical staff members provide additional support the entire year, and student personnel are employed during the school year to assist in a number of services. A select group of the student personnel make up the ACE patrol, which provides campus escorts and patrols around residence halls, academic buildings, and parking lots.

Theft Prevention by Identification

When stolen property is recovered by police departments, positive ownership must be proven. Manufacturer’s serial numbers are recognized as distinctive marks by court decision. Students should record these numbers to make this system work. Students may also inscribe their names or other identifiable marks on the property.

Safety Escort Service

The University of Evansville Office of Public Safety assists students and staff by providing safety escort services after dark. Students are encouraged to use this service to prevent being susceptible to attack. Students can contact the Office of Public Safety at 812-488-2051, or ext. 2051 from an on-campus phone, to request an escort. Students leaving a fraternity house or village residence after dark may also ask the Office of Public Safety to provide an escort. Students should remember that although there is safety in numbers, care should be taken, especially after dark, to avoid situations where harassment might be possible.

On the Telephone

Never give your name or telephone number to callers until you have positively identified them. Hang up on people who will not identify themselves. If they say, “What number is this?” answer, “What number did you wish?” and refuse to tell your number.

Never allow yourself to be drawn into a conversation with an unknown caller or survey taker in which you reveal your name, address, marital status, or anything to indicate you are alone. If you receive an obscene call, you can control the situation. Hang up hard. If the caller persists, notify Public Safety at ext. 2051. A loud whistle blown into the receiver is a good deterrent for obscene telephone calls. Do not encourage a prank or obscene caller by resorting to name calling or participating in any conversation. Ignoring the caller is the best defense.

Fire

Fire can be a frightening and deadly experience on or off campus. For the protection of resident students, the University of Evansville maintains upgraded fire detection systems in all residence halls. Smoke and heat-sensing units have been installed in all buildings. All halls are equipped with automatic sprinkler systems. Fire alarm pull stations are located throughout the buildings near exits. A central fire alarm panel in the Office of Public Safety is monitored 24 hours a day for any activation of the alarm system in the residence halls. This panel also alerts the Office of Public Safety for any malfunctions in the residence fire alarm systems.

Please remember that misuse of the fire alarm system could lead to injury or death. Do not misuse or tolerate misuse of the equipment by others. Your life may depend upon the system operating properly.

Campus buildings are designed to be “fire-resistant.” Prior to their construction, the plans for the buildings are inspected by Evansville Fire Department personnel, and after construction the buildings are inspected annually. The buildings are constructed of fire-retardant materials. Fire doors are constructed to keep fire from spreading between rooms, down hallways, and through stairwells to other floors. The buildings are also equipped with portable fire extinguishers for use on small fires.
While the facilities are fire resistant, people introduce hazards by overcrowding their rooms with combustible items, using electrical extensions that travel between mattresses and springs or around piles of books and papers, by overloading circuits, or by smoking in bed.

Buildings and rooms designed to be fire-resistant can become ovens when overloaded with flammable materials. A misplaced cigarette ash, an electrical short, or a prank could trigger a fire that could heat to 1,500 degrees in a few minutes. Although the heat and fire are deadly, fumes and toxic gasses from slow-burning fires cause more deaths than fire alone. Asphyxiation often occurs before a person can awaken from sleep, and death may occur from a fire that “smoked” but failed to produce fatal heat.

Please take the following precautions to prevent fire.

- Do not overload rooms with combustibles, including excessive clothing, decorations, and other possessions.
- Keep rooms in a neat and orderly condition.
- Do not overload electrical circuitry or use unsafe extension cords.
- Keep room, hallway, and stairwell doors closed to prevent the spread of fire.
- Locate all means of escape from your room or workplace so that if fire blocks one exit you may use a second one.
- Do not tamper with fire emergency equipment or permit others to risk your life by improper use of this equipment.
- Report obvious fire hazards to security or the residential coordinator.
- These rules of fire safety are just as valid at home as they are at school. Be aware of fire safety. If you discover a fire on campus:
  - Pull the fire alarm to warn others.
  - Call Public Safety, if possible, at 812-488-6911, and provide them with as much information as possible.
  - Attempt to extinguish the fire only if it is very small and you know how to do it safely. If the extinguisher does not put out the fire within a minute, leave immediately.
  - If not in immediate danger, remain at the scene to direct security officers or firefighters to the fire.

**Inclement Weather – Closings or Delays**

The Office of Public Safety monitors a weather alert radio at all times. Decisions regarding school delays or closures shall be issued through the AceAlert emergency notification system.

- Text message if cell phone is registered with your profile
- Email message
- Tune in to local radio and TV broadcasts when weather looks severe

Students, faculty, staff, and visitors should use personal discretion when deciding to travel in inclement weather and should contact the appropriate persons in case of an anticipated delay or absence from work, class, or event.

**Tornado Watches and Warnings**

A Tornado Watch is issued when conditions are favorable for tornadoes in the area. Keep tuned to an emergency channel or television or radio station for information on watches as they are updated. Watch for weather changes and cloud formations that may indicate that a tornado or high wind is approaching.

A Tornado Warning is issued when a tornado has been spotted or indicated on radar and might be approaching. Warn others and move to the suggested place of safety in your building. It will be located in a low point in your building, away from glass and preferably in a well-supported room. Be prepared to sit or lie on the floor, under a heavy table or desk if one is near, until the warning is over.

The Office of Public Safety monitors a weather alert radio. In the event a tornado or severe thunderstorm warning is issued by the National Weather Service for the campus area, AceAlerts will be activated. Warnings will be sent out in the following ways:

- IP office telephones.
- Text message if cell phone has been updated in your profile.
- Email message.
- AceAlerts system speakers in residence halls and townhouses.
- Electronic messages displayed on campus TVs and message boards.
Campus PCs with installation of AlertUs software.

Earthquake
Evansville is located near a fault zone. Should substantial shaking occur, please observe the following guidelines.

During an Earthquake. Do not attempt to exit a building or vehicle.

If you are in your office, take one of the following actions:

- Get under a sturdy table or desk or brace yourself in an interior doorway.
- If there are no sturdy tables or desks, drop to your knees, with back to window; fold arms on floor close to knees, bury face in arms; close eyes. If notebooks or jackets are handy, hold over head for added protection.
- Stay clear of windows, bookcases, refrigerators, light fixtures, or other heavy objects that might slide or fall.
- If you are in a hallway, take one of the following actions:
  - Get in an interior doorway, brace yourself against the side jambs.
  - Drop to your knees with back to windows or exterior doors, fold arms on floor close to knees, bury face in arms, close eyes. If notebooks or jackets are handy, hold over head for added protection.

If outdoors, move quickly away from buildings, power lines, utility poles, and other structures.

If in an automobile, stop in the safest place available, preferably an open area away from power lines, light poles, and trees. Stop as quickly as safety permits but stay in the vehicle for the shelter it offers.

Aftershock Actions. Most importantly, remain calm.

After the initial shock, when things have settled down, evacuate the building, stay alert to the possibility of aftershocks, and move to one of the two designated assembly points on campus. These areas are:

- The Sesquicentennial Oval away from trees.
- Black Beauty Field at Arad McCutchan Stadium.

As you are evacuating the building, take your coat with you if weather conditions dictate you will need it.

Remain at the assembly point until you have been given further instructions by University emergency personnel.

Do not attempt to re-enter your building until you have been authorized to do so by University emergency personnel.

Shelter-in-Place/Run, Hide, Fight

In the case of a potential threat to the campus community, a campus-wide “shelter in place” order may be given at the request of local law enforcement or campus Public Safety officials. Doors will only be locked if the occupants inside a building feel they can do so safely. Therefore, it is important that each individual consider what the best option is for them personally – Run, Hide, or Fight.

Note: If the doors are able to be locked safely, it is recommended they not be reopened until law enforcement or a UE Public Safety officer issues an official “all clear.”

Occupants should consider the information they “know” about the possible threat before considering opening a door for someone. For example, if the threat has been identified as a 50-year-old male, then opening a door for an 18-year-old female student may be considered if the action does not jeopardize the safety of the individuals within the building. During a shelter-in-place order, individuals outside of buildings should assume that doors may be locked, and University ID access cards may not work. Folks who are outside of buildings are encouraged to “Run” from the campus to avoid the potential threat.

To maximize your safety during a shelter-in-place order, please consider the following recommendations:

RUN, HIDE, FIGHT

- **RUN:** Flee the building if you can do so safely based on what you know is taking place within the building. (i.e., if you hear gunshots on the other side of the building and you are close to an exit, law enforcement recommends running from the building). If you are outside, get as far away from the threat area as possible.
- **HIDE:** Consider the above recommendations; additionally, turn ringer sounds off on cellphones and turn off lights.
- **FIGHT:** You (and those with you) stand a better chance of surviving if you do something rather than nothing.

Remember: All exterior doors to buildings may be locked if the occupants within the building can do so safely. Electronic Card access may also be shut off. Use your best judgment in determining the safest course of action to protect yourself.
If the threat is inside the building and you cannot run from the building

- Seek shelter inside of the building (classroom, closet, office, etc.) If there is a lock on a given door and you can safely reach it, lock yourself in the space. All classroom doors are equipped with locksets that can be locked from the inside.
- Go to a location in the room where you cannot be seen and stay in place until you are notified the threat is over.
- Turn ringers and other tones off on cell phones and turn off classroom lights.
- If the threat is in the neighborhood
  - If you are in a building that can be locked, remain there, and take shelter. If the door has an internal lock, lock it. Those in common areas of the building should immediately move into a classroom or other safe area if possible.
  - If you are outdoors on campus grounds, take shelter as best as possible or proceed off campus.

For additional information regarding campus emergency protocols, visit www.evansville.edu/safety.

Electrical Shock

Rescue tactics are needed immediately if a person is rendered unconscious by electrical shock.

- Disconnect the plug from the electrical device.
- Call 6911 for a Public Safety officer. All officers are certified in basic first aid, CPR, and the use of automatic external defibrillator units.
- Begin CPR or rescue breathing on the victim if you are certified, then treat for shock.

Emergency Medical Response

If a medical emergency arises, call 6911 and a Public Safety officer will be dispatched. If the officer determines it is a minor emergency, he will transport the injured or ill person either to the health center or to a hospital. If the responding officer or the dispatcher receiving the call, determines it is a more serious emergency the dispatcher will call for an ambulance.

Missing Persons

Missing Persons Confidential Contact

Students living in on-campus University housing, including University-approved housing, have the option to identify a confidential contact person or persons whom the institution shall notify within 24 hours of the determination that the student is missing by the Office of Public Safety or by the Evansville Police Department. This information will be kept confidential and will be accessible only to authorized campus officials and law enforcement personnel in the furtherance of a missing person investigation. Students living in on-campus University or University approved housing may register their confidential contact person(s) at https://selfservice.evansville.edu/student.

Missing Persons Protocol

If a student, residing in an on-campus University or University approved housing, is believed to be missing for a period of 24 hours, the Office of Public Safety should be immediately notified at 812-488-2051. The Office of Public Safety will prepare a Missing Person’s Report and initiate an investigation, including an internal search of the campus. This may include using residence life staff, verifying class attendance with faculty members, and interviewing friends of the missing student.

All reports of missing students made to the University Office of Public Safety will be investigated.

If the internal investigation determines that the student has been missing more than 24 hours, the University will, within 24 hours:

- Notify the individual(s) identified as the missing student’s confidential Missing Person contact.
- If under 18 years of age, and not emancipated, notify a parent or guardian and any other designated person(s)
- Regardless of whether the student has identified a contact person, is above the age of 18, or is an emancipated minor, the University will contact the Evansville Police Department.

Emergency Contact Registration

Each year, the University will request all students, on a voluntary basis, provide the University with an emergency contact person(s). This person(s) would be contacted in case of an emergency, medical or otherwise, occurring with the student. The student has the option to use the same contact person(s) that they selected as their Missing Person contact, or they can select a different person(s). Students can register their emergency contact person(s) at https://selfservice.evansville.edu/Student.
Jeanne Clery Act

The Jeanne Clery Act is a federal law that requires US colleges and universities to provide information to members of the campus community, prospective students, and employees outlining campus fire and security policies and procedures along with fire and crime statistics that have been reported on campus during the past three calendar years.

In compliance with this law, the University of Evansville provides this information on the web at www.evansville.edu/safety. Click on the Security Brochure link under the Resources section to find the required information in the most current Annual Security and Fire Safety Report. You may print a copy of this report, or one can be provided to you upon request.

Emergency Telephones

To enhance the safety of the campus, the University of Evansville has installed 17 emergency telephones in strategic locations around campus. These telephones provide immediate contact with the Office of Public Safety if you have an emergency situation. Thirteen of these telephones are located in outside areas and are easily recognizable by the blue light at the top of the pole where they are located. The telephones are ADA compliant; each contains an autodial mechanism which calls the Office of Public Safety upon activation. The autodial mechanism is activated by pushing a clearly labeled red emergency button located on the face of the telephone.

Emergency telephones have also been installed in the laundry rooms of the Lincoln Park and Weinbach Apartments, in the natatorium of Carson Center, and in the lower level of the Krannert Hall of Fine Arts near the practice rooms. These telephones have been installed on a wall in an easily accessible location. They are bright yellow, with a clearly labeled red emergency button on the face of the telephone. They are activated in the same manner as the outside emergency telephones.

All emergency telephones are answered on special emergency lines in the Office of Public Safety. Upon answering a call on one of the lines, the location of the activated emergency telephone is displayed on the telephone console, and an officer is dispatched.
