

DOUGHNUTS AND DIVERSITY

Let's Talk Diversity at UE

Diversity on college campuses is crucial for all campus members. The Office of Diversity Initiatives is offering a new series wherein the chief diversity officer will come to any of your meetings and discuss UE's next steps for diversity objectives and strategies, ways to partner and collaborate on inclusion efforts, and how diversity can transform educational experiences. Your department can ask questions about any topic, and the Office of Diversity Initiatives will bring the doughnuts!

If you're interested in having a 30-minute discussion at any department or campus organization meeting, contact:
