Do you want to change the world?

Then you have OPTIONS in engineering and computer science!
The University of Evansville Engineering OPTIONS for High School Girls teaches participants about the exciting and rewarding career opportunities available in engineering and computer science.

The experience features
- Classes taught by University of Evansville engineering and computer science professors.
- Hands-on projects.
- Mentoring by professional women working in these fields.
- Team- and confidence-building exercises.
- Experiencing life on a college campus.
- Participants receive UE college scholarships totalling $5,000.

If you know of any young women who would be interested or who would benefit from this experience, encourage them to apply. Information and applications can be found at www.evansville.edu/options, or contact Kimberly Higgins at 812-488-2651 or kh209@evansville.edu.
