Powell Hall is a co-ed residence hall, housing up to 88 residents. The hall office is open two hours every night, and there is a resident assistant (RA) available for each floor. The RAs work by helping the residents build relationships and live in a community while still maintaining academic and safety priorities on their floor. Powell also has a head resident (HR) who manages all staff and maintains the daily operations of the building.

**Get Involved!**

The Hall Improvements Committee focuses on finding ways to make living here more comfortable.
The Hall Programming Committee puts on fun and memorable events open to everyone in the building.

Your Student Government Association (SGA) Representative provides residents with a direct line of communication to and from SGA. The Resident Students Association (RSA) is the student organization that oversees all these committees. They advocate for students, recognize the work of involved students, and encourage involvement at regional and international leadership conferences.

Whether you are looking for a leadership role on campus, have an interest in planning events, or want to meet new people, Hall Committees would be thrilled to have you. Meetings are open to all residents, and will start up shortly after the beginning of the school year. If you have questions about your hall committees, contact your RC. Questions about RSA can be directed to rsa@evansville.edu.

### All Things Tech

- Learn about how to get connected. Go to our Amenities and Services page and click on Computing Services: https://www.evansville.edu/residencelife/services/servicesComputing.cfm
- Each room is set up for wired Internet access, and the entire building is also wireless.
- There is a computer lab on first floor with three PCs, one Mac computer, a laser printer, and a color printer.

### Want to Loft Your Bed?

After you move in and get your key, contact Physical Plant to get your bed lofted! Work order requests are submitted through WebAdvisor.

### Bike Lockers

Bring your bike to campus! For a $60 per academic year rental fee, you can use one of our sheltered bike lockers. Contact residence life to check availability and reserve a locker.

---

At check-in, you will review and sign a Room Condition Report. Room damages are recorded on this form, and it is updated at checkout. New damages are billed to residents.
**Emergency Info Card**

During check-in, residents will fill out an Emergency Info Card. They will need their student ID #, two emergency contacts, insurance card, and allergy information for this document.

**In-Hall Amenities**

- Laundry room (coin-free, unlimited use)
- Game Room
- Kitchen with stove/oven, microwave, and refrigerator
- Computer Lab with printer (Honors’ Lounge)
- TV Lounge

**Honors Lounge**

The honor’s lounge in Powell Hall is located on the first floor of the building in room 105. This room has four computers, a color and black ink printer with paper supply, a scanner, and large whiteboards for studying purposes. Study tables and a large couch are also available for students to use. Only Honors students may use this space.

**Quick Guidelines for Arranging Your Room**

- Don’t block AC/heating vents or window exits.
- Don’t place lofts where you might bump a sprinkler.
- All University furniture must stay in the room.
- When you move out, set your room back to its original configuration.
- Do not nail/screw anything into anything!

**Trash**

Be sure to bring a trash can for your room. There are trash collection areas on each floor.

**Recycling in Powell Hall**

(located on each floor by the elevator)
EVERYTHING MUST BE EMPTY, DRY, and CLEAN

**Helpful Tips on Decorating**

- Lofting is great – it provides a lot more floor space so that you can bring a more personal touch to your space.
- Nothing should be hung from the ceilings. The plaster damages easily.
- If you loft, feel free to get a loveseat or a futon. These work really well when you have friends over…they provide a great place to sit and you don’t have to mess up your bed.
- Rugs are nice because they protect the carpet from stains. Also, this is a great way to bring some coziness and personality into your room without much effort.
- Window shades are included, but curtains on the windows can add character to the room and block more light at night if you face a streetlight. The easiest way to hang them is to use two large 3M Command hooks and a lightweight curtain rod.
- 3M Command adhesives and other removable adhesives work really well and usually don’t take off the paint. NEVER USE DUCT TAPE OR FOAM TAPE!
- It is a violation of the fire code to tamper with or hang anything from the sprinklers or pipes.
- Be creative! Make your space your own…it’s your home, so we want you to feel welcome in it!
- If you’re worried about a decoration, just ask an RA! We’ll be around a few weeks into the semester to do Health and Safety Inspections, so we can let you know whether or not something is a violation of policy. Any new damage at the end of the school year is the responsibility of the student and will be billed appropriately.
