I approve my minor child to live on campus at the University of Evansville as assigned by Residence Life staff.
I acknowledge and am aware that my minor child may be exposed to adult behaviors and understand the following:

- There is no curfew.
- Residence Life staff do not perform bed checks.
- Students may be assigned roommates over the age of 18; however, first-year students are usually assigned with other first-year students.
- All rooms where residents under 18 are housed is considered a restricted visitation room, regardless of the status of the floor. Within restricted visitation rooms, guests of the opposite sex are permitted Sunday through Thursday from 10:00 a.m. to midnight, and on Friday and Saturday from 10:00 a.m. to 2:00 a.m.
- With the roommate's consent, minor residents may have guests of the same gender stay in their rooms, providing the stay is no longer than three days within a 10-day period and that the guests do not disrupt the normal activities of the floor.
- Students are not given preferential treatment based on age or youth.
- All residential policies apply to all students regardless of age.

I have read the above and understand that my minor child will be living on campus according to the above-stated conditions. I affirm my child is or will be at least 16 years of age by the day of their assigned move in day prior to the beginning of each semester. I further acknowledge that I have read and understand the terms of the 2022-23 University of Evansville Housing and Food Service Contract and agree to all of its terms and conditions, including payment of charges and forfeitures when due.
