

# IT'S A NEW STYLE OF LIVING!

Many students are looking for a bit more privacy and an upgraded place to call home. Our new residence hall provides just that!

Set to open in August 2022, this building will hold up to 293 students and will have a mix of four- and six-bedroom pod communities. These pods meet the preferences of current and future generations of students who desire a greater degree of privacy along with some great spaces to gather and socialize.

## Here a pod, there a pod:

There is a mix of six-person pods for first year students and four-person pods for second year students.

- **Six-person double bedroom pods** (for freshman) consist of three double bedrooms with two bathrooms and a separate vanity and sink area.
- **Four-person single bedroom pods** (for sophomores) contain four single bedrooms with two bathrooms.

## There are three floorplans to choose from:

Four-person Pod Corner

Four-person Pod Middle

Four-person Pod End

## Features include:

- All pods have a shared living room and kitchenette, which includes a sink and refrigerator.
- Wi-Fi and ethernet connections are in every room.
- Semi-private bathrooms and vanities for each pod.
- Extra-long twin beds with optional loft kits:
  - Lofts in 6-person pods are pre-assembled.
  - A limited number of loft kits are available for 4-person pods.
- Contemporary furnishings include:
  - Underbed storage chests with a lockable drawer.
  - Student desks with adjustable height mesh-back chair with casters.
  - Comfortable living room seating with a coffee table and console table to set your streaming TV on!

## Building amenities:

- Reception Desk with items available for check out.
- Central mailroom near the reception desk.
- Main lobby and lounge with plenty of comfortable spots to hang out.
- Full kitchen adjacent to the main lounge.
- Convenient laundry room with free laundry machines located on the first floor.
- Study / Social Rooms on the 2nd, 3rd and 4th floors along with a flat screen TV, comfortable seating, conference table, glass dry-erase boards, and a Mac and HP computer. Printers on 1st, 2nd and 4th floors.
- Inviting central courtyard with gas grills, charging stations, WiFi, and outdoor seating.
