

Interested in Recycling?

Volunteer and Work Study Positions Available

Work Study Positions: Five work study positions available per semester.

Volunteer Positions: There are always positions open to volunteer!

Description of activities and responsibilities:

- Should have an enthusiasm about the environment and helping campus recycling efforts!
- Preferably able to work a minimum of 2 hour blocks
- Must possess a valid driver's license and have current automobile insurance
- Must be able to safely drive a cargo van on and off campus
- Must be able to lift 35 lbs. and move such loads down flights of stairs

This Person will:

- Pick up recycling from academic buildings, administrative buildings, student apartments, and residence halls with the aid of the cargo van
- Sort items for temporary storage in a designated garage on campus
- Deliver recycling to a local recycle company located approximately 20 minutes from the campus
- Be punctual and dependable
- Be receptive to direction and prioritization as necessary

Benefits: The personal satisfaction that your participation in UE Recycling has resulted in a real contribution by keeping valuable reusable resources from being sent to the landfill.
